Pointed Paragraphs.

If you can smile when your rival is praised, you have tact.

There is always a demand for the man who does his best.

As a rule, other people are the best judges of your importance.

Our opinions are like our visits—more appreciated when not forced upon people.

Drifting with the tide is a slow way to get anywhere; the tide flows both ways.

The aggressive man is usually only a polite way of referring to your quarrelsome friend.

Don't air your family skeleton. People know enough about it when it is kept locked in the closet.

The most aggravating kind of person to live in the house with is one who always has his own way and yet goes around with an abused air.—Achtison Globe.

HERE'S GOOD ADVICE.
O. S. Woolver, one of the best known merchants of Le Raysville, N. Y., says: "If you are ever troubled with piles, apply Bucklen's Arnica Salve. It cured me of them for good 20 years ago." Cures every sore, wound burn or abrasion. 25c at Trout's drug store.

The Short Woman.
She never can look tall.

The most she can hope for is to look a little taller.
But Lincoln said anybody was tall enough whose feet reached the ground.

And Orlando thought Rosamond ideal because she was "just as high as my heart."

There are ways, too, whereby she can seem to add a couple of inches to her height.

She must dress her hair high and add to the effect by wearing a hightopped comb.

The longer her skirts and the higher her heels, of course, the taller she will look.

Princess frocks make her look tall, and so do stripes running up and down.

Fris and huge sleeves that increase her breadth, take away from her height.

She should therefore avoid a too broad shouldered or over-trimmed appearance.

Much will be gained if she holds her head high and carries herself well.

If she doesn't it's easy for her to enter the nimble kitten class, which may be "cute," but not a bit impressive.

There is no case of indigestion, no matter how irritable or how obstinate that will not be speedily relieved by the use of Kodol. The main factor in curing the stomach of any disorder is rest, and the only way to get rest is to actually digest the food for the stomach itself. Kodol will do it. It is a scientific preparation of vegetable acids containing the very same juices found in a healthy stomach. It conforms to the Pure Food and Drugs Law. Sold by Trout's drug store.

"The question of keeping the children fairly presentable during their play hours is always doubly difficult in the summer. Half an hour's romping in the garden will soil and rumple any frock, until it is only fit for the tub, so all sensible mothers devote a large share of the summer's outfit to strong, easily ironed dresses in which their little ones can play in peace." Thus says the authority on "Practical Clothes for Little Girls" in the July number of the New Idea Woman's Magazine, and common sense is the keynote of her article. The same writer extends her helpful advice to the summer girl with athletic tendencies, and appropriate suggestions are given for costumes adapted to any of her varied activities. Read these articles before undertaking the preparations for your summer outing, and you will find your task much simplified.

I will mail you free, to prove merit, samples of my Dr. Shoop's Restorative, and my Book on either Dyspepsia, the Heart or the Kidneys. Troubles of the Stomach, Heart or Kidneys, are merely symptoms of a deeper ailment. Don't make the common error of treating symptoms only. Symptom treatment is treating the result of your ailment, and not the cause. Weak Stomach nerves—the inside nerves—mean Stomach weakness, always. And the Heart, and Kidneys as well, have controlling or inside nerves. Weaken these nerves, and you inevitably have vital organs. Here's where Dr. Shoop's Restorative has made its fame. No other remedy ever claims to treat the "inside nerves". Also for bleating, biliousness, bad breath or complexion, use Dr. Shoop's Restorative. Write me to day for samples and free Book. Dr. Shoop, Racine, Wis. The Restorative is sold by Dickson's drug store.

Weak Hearts

Are due to indigestion. Ninety-nine of every one hundred people who have heart trouble can remember when it was simple indigestion. It is a scientific fact that all cases of heart disease, not organic, are not only traceable to, but are the direct result of indigestion. All food taken into the stomach which fails of perfect digestion ferments and swells the stomach, puffing it up against the heart. This interferes with the action of the heart, and in the course of time that delicate but vital organ becomes diseased.

Mr. D. Kauble, of Nevada, O., says: I had stomach trouble and was in a bad state as I had heart trouble with it. I took Kodol Dyspepsia Cure for about four months and it cured me.

Kodol Digests What You Eat and relieves the stomach of all nervous strain and the heart of all pressure. **Bottles only \$1.00** Size holding 2 1/2 times the trial size, which sells for 50c.
