Bully Mixed Up. Abraham Brown, of Winterton, N. Y., had a very remarkable experience; he says: 'Doctors got badly mixed up over me; one said heart disease; two called it kidney trouble; the fourth blood poison, and the fifth stomach and liver trouble; but none of them helped me; so my wife advised trying Electric Bitters; which are restoring me to perfect health. One bottle did me more good than all the five doctors prescribed'.

Surprise Party. A well planned and complete surprise was that which greeted Mrs. Jacob Motter, on the anniversary of her birthday last Thursday, when some of her many friends and neighbors gathered to pay their respects to this highly esteemed friend and kind neighbor.

As Mrs. Motter was busy sewing, she was called to the porch, and was surprised to see a large string of buggies, which she thought might be a gang of gypsies. Not knowing what it all meant, she ran quickly to the manac, and found that her friends and neighbors had gathered to celebrate her forty-seventh birthday. It was but a short time until the guests were invited to the dining room, where a sumptuous dinner was served. Those present were, Daniel McQuade, wife and daughter Ruth; John Ott, wife and two children; Mrs. Robert Fryman and daughter Meta; Wm. Paylor, wife, daughter Nora and sons Raymond and Bruce; Wm.
