Rev. Geo. A. Bretz, of Indiana,
will preach at Needmore next
Monday afternoon at 3 o'clock,
Monday evening at 7:30; Tues-
day afternoon at 3, and Tuesday

Miss Grace Stevens, who had
been spending three weeks of her
vacation very pleasantly in this
place, a guest in the home of her
uncle, Prothonotary George A.
Harris and wife, returned to
Chambersburg Friday.

The normal school in this place
closed Monday evening and Tues-
day and Wednesday Superin-
tendent Lamberson examined
those of the school who wished
teachers' certificates. Fifty five
members entered the class.

These with the eighteen examined
at Needmore last week, will make
a number nearly as large as the
number of schools in the county.

A cleansing, clean, cooling,
soothing, healing household reme-
dy is DeWitt's Carbolic Witch
Hazel Salve. For burns, cuts,
scratches, bruises, insect bites,
and sore feet, it is unequalled.
Good for piles. Beware of imi-
tations. Get DeWitt's. It is the
best. Sold by Trout's drug store.

Hurrying to answer a telephone
call, Emanuel Seachrist, of Dallas-
town, slipped upon a piece of soap
and his right ear was impaled upon
the iron rod of a washing machine,
and he was rendered unconscious.

When there is the slightest in-
dication of indigestion, heart
burn, flatulence, or any form of
stomach trouble, take a little
Kodol occasionally and you will be
afforded prompt relief. Kodol is
a compound of vegetable acids
and contains the juices found in
a healthy stomach. Kodol digests
what you eat, makes your food
do you good. Sold by Trout's
drug store.

The village of Oyster Bay is
foregoing the Fourth of July cele-
bration this year in deference to
President Roosevelt's desire for
freedom from functions. A cele-
bration without the President, who
has delivered so many Independ-
ence day orations to his neighbors,
is not to be thought of; therefore,
a movement for an old-time rally,
which had gathered some headway
has been quietly abandoned as a
delicate compliment to the Presi-
dent.

I'll stop your pain free. I
show you first—before you spend

lets can do. I will mail you free
a Trial Package of them—Dr.
Shoop's Headache Tablets. Neu-
ralgia, Headache, Toothache, Pe-
riod pains, etc., are due alone to
blood congestion. Dr. Shoop's
Headache Tablets simply kill pain
by coaxing away the unnatural
blood pressure. That is all. Ad-
dress Dr. Shoop, Racine, Wis.

At the age of 80 years Miss Elizabeth
Blessing of York, has a garden
this summer, cultivated with
her own hands, which rivals any in
the city. She has not neglected
this custom in 50 years. While
her garden contains new varieties
of flowers it also has many old-
fashioned ones, which can be seen
nowhere else in the city. One
portion of it is devoted to the cul-
tivation of vegetables. Miss Bless-
ing has never been sick a day in
her life, and has never taken any
medicine.

WEST BOUND

Jero Knepper and sister Flos-
sie, of Dublin Mills, spent Sun-
day afternoon at Jonas Lake's.

Andrew Ladig and Edwin
Brant attended Children's ser-

gram.

Some of our people attended
Children's service at Mt. Tabor

well rendered program.

Chester Brant, who has been
employed the past two months in
Alcona at carpenter work, is
home to assist in harvesting.

toona, spent Sunday at William
Heefner's.

Maynard Unger, of Altoona,
is spending a few days at the
home of his father-in-law, B. F.
Price.

A number of our people are
planning to attend Independence
Day celebration.

Nathan Deshong told your re-
porter recently, that last year he
and Edward Deshong and John
Mumma's family had killed nine-
teen snakes of various kinds
on and near P. R. Austin's farm
in this township. Stephen Wil-
son and Jesse Miller killed near-
ly the same number not far from
here. We are about as temper-
ate as most people, but can't help
"seeing snakes" sometimes. Na-
than has killed some rattlesnakes
this year.

W. A. Peck returned to his work
in Washington, D. C., last Monday.

N. H. and T. W. Peck made a
trip to Bedford last week. They
brought home three new horses in
the place of two old ones that they
started with.

Co. Supt. Lamberson held his
first examination of teachers here
last Friday and Saturday. There
were eighteen in the class and all
speak of the work he gave them
as being very practical and fair.

Grant Mellott, the "picture man"
did quite a business making and
selling cards during the closing
week of school.

Prof. Morton closed a very suc-
cessful term of school here last
Thursday evening. The students
from a distance left for their
homes on Saturday. By their cor-
rect deportment they endeared
themselves to the people of this
community who felt sorry when
the time came for them to leave.

Should the Professor ever want
to teach here again, all he will have
to do will be to make the announce-
ment.

Wm. Powers and family of
Lanesville, W. Va., are the guests
of Mr. Powers' father, Rev. A. B.
Powers of this place.

Miss Orpha Snyder purchased a
fine organ of Lee Funk a few days
ago.

Surprise Party.

A well planned and complete
surprise was that which greeted
Mrs. Dennis Mellott on the anni-
versary of her birthday last Sun-
day, when some of her many
friends and neighbors gathered
to pay their respects to this high-
ly esteemed friend and kind neigh-
bor. While Mrs. Mellott was
away, her children and friends
were busy preparing for the sur-
prise. She got home just in time
to see the crowd coming to cele-
brate her forty-second birthday.

It was but a short time until
the guests were invited to the
dining room where a sumptuous
dinner was served, which was
composed of chicken, cake, ice
cream, and many other good
things.

Those present were: Mr. and
Mrs. George Bishop, daughter
and son, Nell and James; Mr.
and Mrs. Shado Truax and daugh-
ter, Teasa; William Funk from
Ohio, Charlie Peck, Earle Adles-
berger, Isaac Peck, Eli Funk,
Miss Jennie Funk, Misses Madge
and Ethel Stone, Millard Stone,
Mr. and Mrs. Daniel Covatt, Cle-
arence Deshong, and eight of their
family.

lier this week to enable the

A Little Bird

whispered to us that some one in McConnellsburg is going
to buy a diamond ring before the harvest moon appears.
We thanked the little bird and concluded that it would be
wise to announce through the columns of that shining aggre-
gation, "The Fulton County News," that our stock of dia-
monds and other precious stones, mounted singly and in
pleasing combinations, is still very complete. Write for
our booklet on Diamonds.

RACKET STORE.

SAY FARMER.

Have you seen any of those Mowing Scythes that we are selling
at 48c? They are dandies, and the whole outfit for 95c., with the
best snath that is made.
Cradle Scythes of the same kind for the same price—48c.

Machine Oil! Machine Oil!

Well, we won't run out this year. Every year we have run out, but this
year we have twice as much as last, and of the same kind we did have, at the
same price—25c. gal. Same, and better, than others are selling at 50c. gal.

BUGGY WHIPS AND MACHINE WHIPS.

Did it ever strike you that this is the only place to buy this kind of
goods? We sell them at exactly the same profit as anything else; not like a
man that told us that a whip that cost him 50c, he sold for \$1.00. We don't
do that. We have now whips at 9-10-15-20-25-35-42, up to 75c., and the whip
at 75c. is the same as lots sell at \$1.50.

Don't buy nets without seeing ours. We are in shape to save you money.
This letter has been addressed to the farmers, and we don't like to say
anything to the ladies. But, men, tell your wives and children that we can
save them money on tinware, granite, and all kitchen ware.
Respectfully,

HULL & BENDER.
McConnellsburg, Pa.

Forethought.

Mother—I swear that after you
have married that man, I'll never
cross your threshold.

Daughter—Please put that
down in writing.

Mother—Why should I do that?
Daughter—I'd like to give it to
my intended as a wedding present.
—Meggendorfer Blaetter.

Referring to the personal favor-
itism which is sometimes shown
by school directors in the selec-
tion of teachers, the Washington
Observer says: "The directors
have no right to personal prefer-
ence. Yet we have seen in our
local board, and we see it every
day in other boards, that direct-
ors will make deals and trade
votes for the very purpose of
keeping their own relatives on
the board. New York has a law
which prevents this by providing
that no teacher can be elected
who has a relative once or twice
removed on the board of educa-
tion. Pennsylvania should have
such a law."

The family of Henry Radman
has had a narrow escape from
death by lightning. A bolt struck
the chimney on the house. It passed
through the garret, splintering
the joist, entered a bedroom, with-
in a few feet of the family, passed
down to the first floor, smashing a
partition into kindling wood and
destroying all pictures on the wall.
Finally the bolt left the house and
splintered a tree nearby. Singu-
larly enough the house, although
badly wrecked did not take fire.

BELFAST.

The farmers are busy getting
ready for harvest.

We are having some fine rains.
Charley Mellott's barn was
struck by lightning last Monday
evening and was badly shattered.

Joseph Potter and William
Funk landed with their new en-
gine.

The rain last Saturday was a
disappointment for the festival.
It adjourned to meet on Satur-
day July 6th at the Cross Roads
at B. F. Daniels's.

Under the Illinois law they could
not marry for a year after the di-
vorce. Crossing into Indiana, they
got married next day and a Judge
of the Superior Court in Chicago
holds that the wedding may stand.
"When in doubt about the law,
decide in favor of marriage," is in
effect the precept from the bench,
suggesting at least one form of
uniformity in marriage and divorce
procedures.

Miss Winnie Frymoyer and
her niece Miss Helen Hunter of
Wiconisco, Pa., are visiting
friends in McConnellsburg this
week.

finest lot of Buggies and Har-
ness ever brought to this coun-
ty, which I am selling at Rock-
bottom Prices, and will give
time or take any kind of stock
in exchange.

Horses on hand at all
times for any kind of work.

CLEAR RIDGE.

Several of our people attended
Children's services at Dublin
Mills last Sunday evening. The
program was excellent and the
young people acquitted them-
selves with great credit.

Seeing a blacksnake worming
its shining length among the
branches of a peach tree in her
garden a few days ago, Mrs.
Howard Fix thought the oppor-
tunity for a shot too good to miss
and she went into the house, and
soon emerged with her husband's
shotgun, which she leveled on his
snakeship, and brought the rep-
tile to the ground in great shape.
The snake measured 4 feet, four
inches in length.

Bert Henry and wife spent
Sunday at J. P. Kerlin's.

H. T. Heeter's new barn is
completed, and a fine job it is, too.

Mrs. Maggie Underhill, of
Pittsburg, is visiting in the home
of her parents, Mr. and Mrs.
Thomas Cromwell.

R. J. Fields and Howard Ram-
sey came home from Rocky Ridge
last Saturday.

B. S. Fleming took his sister
down to McConnellsburg last
Saturday.

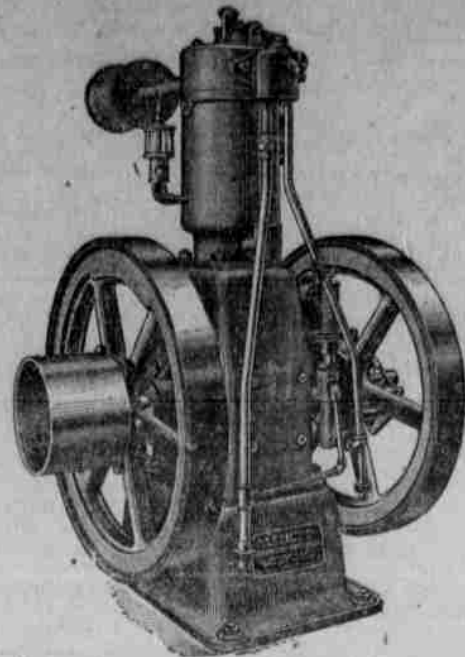

Scott Stanes and Thomas
Cromwell have gone to Franklin
county.

Joseph Smider passed through
our village Monday.

Miss Minnie Grove returned
home from Somerset county last
Friday, where she had been
spending several weeks with her
brother Harris.

Dogs played havoc with C. L.
Henry's sheep the other night.
Four sheep were killed outright
and one lamb is missing. It
strikes me that the tax on dogs
should be five dollars instead of
fifty cents.

**Weak
Hearts**

Are due to indigestion. Ninety-nine of every
one hundred people who have heart trouble
can remember when it was simple indiges-
tion. It is a scientific fact that all cases of
heart disease, not organic, are not only
traceable to, but are the direct result of indig-
estion. All food taken into the stomach
which fails of perfect digestion ferments and
swells the stomach, puffing it up against the
heart. This interferes with the action of
the heart, and in the course of time that
delicate but vital organ becomes diseased.
Mr. D. Kauble, of Nevada, O., says: "I had stomach
trouble and was in a bad state as I had heart trouble
with it. I took Kodol Dyspepsia Cure for about four
months and it cured me."
Kodol Digests What You Eat
and relieves the stomach of all nervous
strain and the heart of all pressure.
Bottles only \$1.00. Size holding 2 1/2 times the trial
