I'll stop your pain free. To show you first—before you spend a penny—what my Pink Pain Tablets can do. I will mail you free a Trial Package of them—Dr. Shoop's Headache Tablets. Neuralgia, Headache, Toothache, Period pains, etc., are due alone to blood congestion. Dr. Shoop's Headache Tablets simply kill pain by coaxing away the unnatural blood pressure. That is all. Address Dr. Shoop, Racine, Wis. Sold by Dickson's drug store.

There will be a festival in the grove at Mt. Zion, church on Timber Ridge Saturday afternoon and evening, August 10th. There will be plenty of good music, everybody will be welcome and a good time is expected. Come and help a good cause along.

I will mail you free, to prove merit, samples of my Dr. Shoop's Restorative, and my Book on either Dyspepsia, the Heart or the Kidneys. Troubles of the Stomach, Heart or Kidneys, are merely symptoms of a deeper ailment. Don't make the common error of treating symptoms only. Symptom treatment is treating the result of your ailment, and not the cause. Weak Stomach nerves—the inside nerves—mean Stomach weakness, always. And the Heart, and Kidneys as well, have controlling or inside nerves. Weaken these nerves, and you inevitably have vital organs. Here's where Dr. Shoop's Restorative has made its fame. No other remedy ever claims to treat the "inside nerves". Also for flatulating, biliousness, bad breath or complexion, use Dr. Shoop's Restorative. Write me to day for samples and free Book. Dr. Shoop, Racine, Wis. The Restorative is sold by Dickson's drug store.

Weak Hearts

Are due to indigestion. Ninety-nine of every one hundred people who have heart trouble can remember when it was simple indigestion. It is a scientific fact that all cases of heart disease, not organic, are not only traceable to, but are the direct result of indigestion. All food taken into the stomach which fails of perfect digestion ferments and swells the stomach, puffing it up against the heart. This interferes with the action of the heart, and in the course of time that delicate but vital organ becomes diseased.

Mr. D. Kaible, of Nevada, O., says: "I had stomach trouble and was in a bad state as I had heart trouble with it. I took Kodol Dyspepsia Cure for about four months and it cured me."
