We have sold more low shoes this season than we ever did. One reason is, that we had them; another is, that we have the right shoes at the right price. We have the picest ladies' white canvas Oxford you ever did see, at 95c.; also, some blacks; and in men's we have them made by the Walkover people. Or if you would rather have a nice pair of high shoes, we have them. There isn't a cent's advance on better goods, it is the cheap goods that has advanced some, but we can still sell your good ladies fine shoe at \$1 00, and men's at \$1.25, so you see we haven't advanc-

ed ours any yet. Look over this ad and our stock and see how much we have advanced goods, and you will find it very little. We can sell you wall paper as cheap as
