Stomach troubles, heart and kidney ailments, can be quickly corrected with a prescription known to druggists everywhere as Dr. Shoop's Restorative. The prompt and surprising relief which this remedy immediately brings is entirely due to its restorative action upon the controlling nerves of the stomach, etc.

There's a reason for that ache in your back—right where it "stitches" every time you bend over, turn around or walk any distance. It's your kidneys. Take DeWitt's Kidney and Bladder Pills. David Starr Jordan, President of Stanford University, says it would be a good thing if two thirds of the people of the world were killed off. The man who undertakes the massacre ought to begin with David Starr Jordan, of course, and there should be no punishment for him, if what he does is his plain duty.

An enjoyable occasion was had at the home of Jacob S. Black on Sunday, in celebration of his 53rd birthday anniversary. A few old folks were present in N. G., and Della Foster of Eid. I guess there was oceans of chicken and good things. Jake says he got all that was coming to him, and can eat as much chicken as any man in the rig. How about the poor scribe who wrote this, who has a wonderful capacity for spring chicken and sweet cakes?

The last three Saturdays have each been attended with an event that caused unusual excitement in our usually quiet little town. The first was the sudden and serious illness of Mrs. Mills; the second, that of Mrs. McDonough, and last Saturday—J. G. Cunningham was at the home of his son "L. L." getting his hair cut, when he became suddenly very ill—so ill, indeed, that it was feared for a time that he would not recover. He afterward rallied, and is now able to go about a little.

There are a great many people who have slight attacks of indigestion and dyspepsia nearly all the time. Their food may satisfy the appetite but it fails to nourish the body simply because the stomach is not in fit condition to do the work it is supposed to do. It can't digest the food you eat. The stomach should be given help. You ought to take something that will do the work your stomach can't do. Kodol for indigestion and Dyspepsia, a combination of natural dig-stants and vegetable acids, digests the food itself and gives strength and health to the stomach. Pleasant to take. Sold by Trout's drug store.
