Easy To Mix This.

What will appear very interesting to many people here is the article taken from a New York daily paper, giving a simple prescription, as formulated by a noted authority, who claims that he has found a positive remedy to cure almost any case of backache, kidney or bladder derangement, in the following simple prescription, if taken before the stage of Bright's disease.

Fluid Extract Dandelion, one half ounce; Compound Kargon, one ounce; Compound Syrup Sarsaparilla, three ounces. Take well in a bottle and take in teaspoonful doses after each meal and again at bedtime.

A well known druggist here at home, when asked regarding this prescription, stated that the ingredients are all harmless, and can be obtained at a small cost from any good prescription pharmacy, or the mixture would be put up if asked to do so. He further stated that while this prescription is often prescribed in rheumatic afflictions with splendid results, he could see no reason why it would not be a splendid remedy for kidney and urinary troubles and backache, as it has a peculiar action upon the kidney structure, cleansing these most important organs and helping them to sift and filter from the blood the foul acids and waste matter which cause sickness and suffering. Those of our readers who suffer can make no mistake in giving it a trial.

Fire completely destroyed the old Ervin mill at Ogontz, Pa., Monday afternoon. The mill was built in 1767 and was one of the bases of supply from which General Washington procured flour for his soldiers while the army was encamped at Valley Forge. Chief Lindsay, of the Cheltenham police, believes the fire was started by boys who wanted to see a blaze.

Letter to G. A. Harris, McConnellsburg, Pa.

Dear Sir: The easiest way we know of to make a little money is if you're going to paint—to paint with the paint that takes least gallons.

Take a small job; say it takes 10 gallons Devoe, two coats; that's an average house. When the job is done and the bill comes in, it is \$50; the paint, etc., \$17.50; the rest is for labor and cartage; the labor is fixing the surface, shifting ladders, scaffolds, pulleys and ropes, and brushing on paint.

Take another job exactly like that; try another paint; it takes 12 gallons. The bill is \$10 more. Take another exactly the same; another paint; it takes 20 gallons. The bill is \$100.

There is only one Devoe; there's a dozen 12 gallon paints, and 100 that take 20 gallons to cover a 10-gallon job.

The only difficulty is in finding out Devoe. After that you save work; there's less work in 10 than in 12 or 20 gallons; less paint to buy and less to brush on and less wages to pay.

If Devoe were only a little better than others, there'd be some difficulty in finding out the difference. It goes twice as far as half the paints; that ought to be easy. It wears longer too. You'll wait a good while, if you wait to find out how long it wears; there're thousands of people who know that the least gallons paint wears longest.

Yours truly
 F. W. DEVOE & CO.

price of health in a certain district is just 35 cents; the cost of a box of Dr. King's New Life Pills," writes Eda Clayton, of Noland, Ark. New Life Pills cleanse gently and impart new life and vigor to the system. Satisfaction guaranteed at Frouth's drug store.

But that is because the fashion is to be wrist length instead of elbow. How many manly breasts will beat exultantly! Four dollars a pair for elbow length kid gloves has been something oppressive; and the gallants have winced over it. A dollar a pair and all can breathe easier!

Thomas A. Edison, the great American inventor, says "Fully eighty per cent of the illness of mankind comes from eating improper food or too much food; people are inclined to over-indulge themselves." This is where indigestion finds its beginning in nearly every case. The stomach can do just so much work and no more, and when you overload it, or when you eat the wrong kind of food, the digestive organs cannot possibly do the work demanded of them. It is at such times that the stomach needs help; it demands help, and warns you by headaches, belching, sour stomach, nausea and indigestion. You should attend to this at once by taking something that will actually do the work for the stomach. Kodol will do this. It is a combination of natural digestants and vegetable acids and contains the same juices found in a healthy stomach. It is pleasant to take. It digests what you eat.

The Commissioners of Cumberland County are making preparations to comply with the act of Assembly of 1907, approved May 25, making it mandatory upon them to organize with the sheriff as a member, a prison board, who shall see to it that prisoners in the county jail shall work. The preference shall be given to the making of new roads, maintenance of roads, repairs, etc., and each able bodied man shall do eight hours' work a day. Deputies, guards or officers may be appointed, their salary not to exceed \$2.00 per day. If any of the prisoners escape they shall be indicted the same as if they had escaped jail and suffer the same penalty.

Trespass Notice.
 Notice is hereby given that all persons are warned against hunting, gathering nuts, grapes or berries, or in any other way trespassing on the premises of the undersigned in Todd township, as the law will be strictly enforced against any one so offending.

Weak Women

To weak and ailing women, there is at least one way to help. But with that way, two treatments must be combined. One is local, one is constitutional, but both are important, both essential. Dr. Shoop's Restorative, the Constitutional. The former—Dr. Shoop's Night Cure—is a topical mucous membrane suppository remedy, while Dr. Shoop's Restorative is wholly an internal treatment. The Restorative reaches throughout the entire system, seeking the repair of all parts, all tissue, and all blood elements. The "Night Cure," as its name implies, does its work while you sleep. It soothes and inflames mucous surfaces, heals local weaknesses and discharges, while the Restorative, mass nervous excitement, gives renewed vigor and stability, builds up wasted tissues, bringing about renewed strength, vigor, and energy. Take Dr. Shoop's Restorative—tablets or liquid—two general tonics to the system. For positive local help, use as well

To test the new Testin Pure Food law, suit was instituted at Altoona, Monday against Grocer Charles Kephart for selling evaporated peaches, containing sulphurous acid. On outcome depends whether the \$4,000,000 worth of California peaches bought by Pennsylvania merchants for sale this winter will be a dead loss. Dairy and Food Commissioner Foust is ready either for a battle, to the finish among lawyers or a case stated. Another suit was brought in (Harbel) Tuesday.
