Here is a simple home made mixture as given by an eminent authority on Kidney diseases, who makes the statement in a New York daily newspaper, that it will relieve almost any case of Kidney trouble if taken before the stage of Bright's disease. He states that such symptoms as lame back, pain in the side, frequent desire to urinate, especially at night; painful and discolored urination, are readily overcome. Here is the recipe; try it:

Fluid Extract Dandelion, one-half ounce; Compound Kargon, one ounce; Compound Syrup Sarsaparilla, three ounces. Take a teaspoonful after each meal and at bedtime.

A well known druggist here in town is authority that these ingredients are all harmless and easily mixed at home by shaking well in a bottle. This mixture has a peculiar healing and soothing effect upon the entire Kidney and Urinary structure, and often overcomes the worst forms of Rheumatism in just a little while. This mixture is said to remove all blood disorders and cure the Rheumatism by forcing the Kidneys to filter and strain from the blood and system all uric acid and fowl, decomposed waste matter, which cause these afflictions. Try it if you aren't well. Save the prescription.

Mr. and Mrs. E. M. Rodgers, of McKeesport, Pa., who had been visiting among friends in this county during the past three weeks are leaving for home this week. They came home to be present at the birthday party given at George Thomas's in honor of Grandmother Motter. All her children were present except two, and a very enjoyable time was had. Mr. Rodgers is thinking of locating in this county.

Thomas A. Edison, the great American inventor, says "Fully eighty per cent of the illness of mankind comes from eating improper food or too much food; people are inclined to over-indulge themselves." This is where indigestion finds its beginning in nearly every case. The stomach can do just so much work and no more, and when you overload it, or when you eat the wrong kind of food, the digestive organs cannot possibly do the work demanded of them. It is at such times that the stomach needs help; it demands help, and warns you by headaches, belching, sour stomach, nausea and indigestion. You should attend to this at once by taking something that will actually do the work for the stomach. Kodol will do this. It is a combination of natural digestants and vegetable acids and contains the same juices found in a healthy stomach. It is pleasant to take. It digests what you eat.

CUT THEM ALL OUT.

The Enemies One is Likely to Meet in His Vocabulary.

"In the dictionary of faults we find 'I can't' very often, plenty of 'ifs' and lots of words like 'luck' and 'destiny' and phrases like 'If I only had time or a chance like other people!'"

Did you ever think that many of the words and phrases which you constantly use are your real enemies, that they leave their hideous pictures and black shadows in your mind?

How many times have you been kept from doing a good deed by such phrases as "Oh, I can't do that," "I am afraid that that will not turn out well," "Oh, I know I can't do that," "Somebody else can do that a great deal better," "I am afraid to try," "I haven't the courage," "I fear I shall take cold or catch some disease if I do this or that?"

I believe that those two words, "I can't" have ruined more prospects and have kept more ability lying the word of mediocrity than any other two words in our language.

"I am afraid of this or that" is a terrible hinderer, a terrible blighter of ambition, a cooler of enthusiasm.

All achievement and all efficiency depend upon initiative, and that is easily killed by the fear words, the words which express doubt and uncertainty.

"By thy words thou shalt be justified, and by thy words thou shalt be condemned."—Success.

The hunters need have no fear in violating the state game laws in killing rabbits, for there is no limit to the number to be bagged in a day or a season. In killing turkeys the gunner may kill one a day or four in a season. Five pheasants may be killed in a day or fifty in a season. Some sportsmen in the city complain of the law fixing the season for killing quail, which comes in on November 1.

BITEN BY A SPIDER.

Through blood poisoning caused by a spider bite, John Washington, of Bosqueville, Tex., would have lost his leg, which became a mass of running sores, had he not been persuaded to try Bucklen's Arnica Salve. He writes: "The first application relieved, and four boxes healed all the sores." 25c. Guaranteed at Trout's drug store.

Help the Editor.

An Oklahoma editor puts forth this plea: "My friend, help the editor in his wide eyed search for news. When your friends come to you, if you are not ashamed of it, tell him; when your wife gives a tea party, if you will have recovered from the effects of the gossip, drop in with the news; when a baby arrives, fill your pockets with cigars and call; if you go to a party, steal some of the good things, and leave 'em with the item in our sanctum. If your wife licks you, come in and let us see your scars and tender sympathy through the paper. If your mother-in-law has died, don't be bashful about it; give in all the commonplace news. In short, whatever makes you feel proud, sad, lonesome or glad, submit it to our twenty four carat wisdom and see our matted lock part and stand up on end with gratitude, which will pour from every pore like moisture from a dew besprinkled earth."—Topeka State Journal.

Indigestion
Stomach trouble is but a symptom of, and not itself a true disease. We think of dyspepsia, heartburn, and indigestion as real diseases, yet they are symptoms only of a certain specific nerve sickness—nothing else.

It was this fact that first correctly led Dr. Shoop in the creation of that now very popular Stomach Restorative—Dr. Shoop's Restorative. Going direct to the stomach nerves, alone brought that success and never to Dr. Shoop and his Restorative. Without that original and highly vital principle, no such lasting accomplishments were ever to be had.

For stomach distress, flatulency, biliousness, bad breath and salivary complications, try Dr. Shoop's Restorative—Tablets or Liquid—and see for yourself what it can and will do. We sell and cheerfully recommend

A Wonderful Work Went on Here Last Week.

The House was Piled Full of People from One End to the Other.

The Whole Country was Awake to the Situation.

It Was a Carnival of Real Merchandise Such as Saltillo Never Saw Before.

We are on the second week of this gigantic Stock Reducing and Trade Increasing Carnival which is proving to be the most bountiful harvest for the people imaginable. They're coming from Woodvale, Robertsedale, Petersburg, Orbisonia, Mt. Union, Three Springs, Mapleton and from every neck of the nearby country as well as good old Fulton County which has been so loyal to this store for many years; and would you believe it, even McConnellsburg, knows that this is the place to get bargains, for our bargains are going there too.

They saw it advertised; they read the Newspapers; they saw the Bills. It was something they hadn't seen before.

They came and weren't disappointed; for instead of a few items that are usually baits they find hundreds—yes—thousands of bargains here.

Dress Goods!

Are you Keeping Your Eye on the Indicator, that is—Harry E. Huston.

It indicates that the people are jacking out more dry goods and dress goods than was ever packed out of this store before. It would have done you good to see the crowds gathered around the Dress Goods Counter, looking over the latest weaves, the latest designs, and see them buying right and left on all sides.

Everybody was Picking Out Dress Patterns.

The red ticket on each piece of goods meant a saving to them and it means a saving to every customer who will buy during this sale.

We sold thousands of yards of calico at 2c. a yard and on Saturday, October 26, we are going to offer you something else so cheap you will wonder if we stole it

Clothing! =:= Clothing!

The stranger you meet scans your clothing more than he does your face. They tell him more, if they're the Harry E. Huston garments, they're right.

They are nobby and there is something about them that distinguishes them from other ready to wear clothes but the most attractive thing about them is the price. Our lowest priced man's suit is \$2.10. Is that low enough? and they go up to \$15.00 per suit.

It isn't cold yet but we have sold more Overcoats already during this sale than we did in two months last winter, but it is no wonder—the price does it

Ladies' and Girls' Coats.

We told you something about our Coat stock in our previous advertisements, but little did we think that so many people would buy coats so early.

A woman in Robertsedale bought a coat from us, she showed it to her neighbors, and down they came and the way they raved over our coats made us think that Huston gets the latest at out of style prices. Adams Express Company is bringing more coats to us and you will see new coats here when you come again. We are going to sell more coats this year than we did any two seasons before for people are finding out that this is the place to get coat satisfaction.
