Abner M. Lake, of Belfast, called at the News office a few minutes while in town yesterday.

DeWitt's Little Early Risers are the best pills made. They do not gripe. Sold by Trout's drug store.

Mrs. Mary Gregory and daughter Olive, Mrs. Edward Souders, spent a few hours in town yesterday.

Trial Catarrh treatments are being mailed out free, on request, by Dr. Shoop, Racine, Wis. These tests are proving to the people—without a penny's cost—the great value of this scientific prescription known to druggists everywhere as Dr. Shoop's Catarrh Remedy. Sold by Dickson's drug store.

The practice of writing a few lines on the margin of a newspaper being sent to a friend through the mails must be stopped and violators of the postal regulations will be prosecuted in the United States district court. The post-office department has suggested that the newspapers advise their readers not to write on margins. Violators of the third class mail laws, sending as third class matter any written message will be punished if detected.

The Postmaster of Gasconade, Mo., Daniel A. Bugh, says of DeWitt's Kidney and Bladder Pills, "I am doing so well, and improving so fast in health, that I cannot say too much for your Kidney and Bladder Pills. I feel like a new man." DeWitt's Kidney and Bladder Pills are sold at Trout's drug store.

All chimneys should be examined before the cold weather sets in. Many are putting up their heaters now, so that the warning is timely. Some think because the chimney was cleaned last fall it does not need it. This is a mistake for the reason that when it showers the water washes the soot to the bottom naturally accumulating to a large amount, so that when a fire is started the soot becomes heated, and then it becomes necessary to sound the fire alarm. A little precaution in the matter may save much expense and inconvenience.

A tickling cough, from any cause, is quickly stopped by Dr. Shoop's Cough Cure. And it is so thoroughly harmless and safe, that Dr. Shoop tells mothers everywhere to give it without hesitation even to very young babies. The wholesome green leaves and tender stems of a lung-healing mountainous shrub, furnish the curative properties to Dr. Shoop's Cough Cure. It calms the cough, and heals the sore and sensitive bronchial membranes. No opium or chloroform, nothin harsh used to injure or suppress. Simply a resinous plant extract, that helps to heal aching lungs. The Spaniards call the shrub which the Doctor uses, "The Sacred Herb." Demand Dr. Shoop's. Take no other. Dickson's drug store.

Tuesday's Election.
Not for a long time has a fall election passed by that created as little popular interest. Sneath Republican, succeeds Berry as State Treasurer by, perhaps, 150,000 majority, thus showing that the people of Pennsylvania endorse the 13-million dollar capital and the methods of those who built it.

Fulton county elected the full Democratic ticket in majorities ranging from 300 to 400. The table of the vote in the respective districts tells the story.

Lecture.

America and Americans is the subject of an interesting and instructive lecture that will be given in the M. E. Church at Hustontown, on Thanksgiving evening, November 28th, by Rev. Harry Daniels. Rev. Daniels' ability as a pulpit orator and lecturer is too well known to need any commendation from us. Proceeds for the benefit of the church. Lecture begins at 7:30 p. m.

Weak Kidneys

Weak Kidneys, surely point to weak kidney nerves. The kidneys, like the heart, and the stomach, and their weakness, not in the organs itself, but in the nerves that control and guide and strengthen them. Dr. Shoop's Restorative is a medicine specifically prepared to reach those controlling nerves. To doctor the kidneys alone, is futile. It is a waste of time, and of money as well.
If your back aches or is weak, if the urine is cloudy, or is dark and strong, if you have symptoms of Bright's or other distressing or dangerous kidney ailments, try Dr. Shoop's Restorative. It is a tablet or liquid—and see what it can and will do for you. Druggist recommended and sell.

Thin Model Watches

There arrived here last Saturday a consignment of new, thin model watches for gentlemen, which were in progress of construction for us since last April. There is a beautiful symmetry about these watches which is possessed by no other; a little larger than a silver dollar and just five sixteenths of an inch in thickness. The movements are highly finished—fifteen and seventeen jeweled, with gold, silver, or enameled dials, case in permanent gold filled open face cases, and warranted for all time. You are invited to see these artistic watches. Twenty-five dollars and upward.
