When the Stomach, Heart, or Kidney nerves get weak, then these organs always fail. Don't drug the Stomach, nor stimulate the Heart or Kidneys. That is simply a makeshift. Get a prescription known to Druggists everywhere as Dr. Shoop's Restorative. The Restorative is prepared expressly for these weak inside nerves. Strengthen these nerves, build them up with Dr. Shoop's Restorative—tablets or liquid—and see how quickly help will come. Free sample sent on request by Dr. Shoop, Racine, Wis. Your health is surely worth this simple test. Dickson's drug store.

While Murray Kay, of Ayr township, does not pose as a champion shot or claim to be the greatest wild turkey hunter in the county, yet when one of those American birds becomes too familiar with Murray, it may be disastrous for the bird. Last Thursday a wild turkey had been scared from the mountain, and sought shelter and protection among a flock of Mr. Kay's tame turkeys and went home with them. Here's where the turkey made a mistake: for when Murray saw the strange bird, he had no faith in the probability of its making its abode permanently on his premises, and concluding that such wild turkey was not to be despised at this season of the year, he got his gun, and soon had the satisfaction of lagging his gun.
