The finest Coffee Substitute ever made, has recently been produced by Dr. Shoop of Racine Wis. You don't have to boil it twenty or thirty minutes. "Made in a minute" says the doctor. It might be well for our people to be on their guard against a swindler who operated quite successfully in some of our neighboring counties, the past week, says the New Bloomfield Times. He has been using a very clever substitution game with a pair of eye glasses to the party, and by the way, the first pair are gold frame and tully worth the price paid for them, but the swindling part comes in a few days later, when, after making the sale, he returns to the party, and asks to see the glasses, and while examining them, he cleverly substitutes a worthless pair, and leaves them with the victim.
