The school board of Wells have added to the five schoolhouses, the stove stuides as required by law. The shields look all right, but the price—it is all wrong. Too much money.

Some of the folks in our quiet town were aroused on Thursday morning before daylight by what sounded like the yells of a panther or catamount, and upon investigation, found that it was sick crier James Chesnut, on his way to Eroadtop City to call a big sale for A. J. Black, and upon entering our village, he gave out a few of his yells, as he usually does in opening up a sale. Come again, old man, and wake us up.

Cloyd Black, who works at R)bertsdale with his father, Jacob, is home feeling indisposed. Wednesday and Thursday were unlucky days in way of accidents round here, as several were hurt. First, as Clyde Plummer was assisting S. P. Metzler to kill a beef, Metzler ran a butcher knife into Clyde's hand, making an ugly gash. John Houck was turning a windmill at his home, cleaning buckwheat, when he accidentally got one of his fingers in the cogs, cutting the entire end off, and now is nursing a sore hand. Third, Bruce Lane, at Woodvale, was butchering, and got his hand into the sausage grinder, cutting one finger off at the root of the nail; and fourthly and lastly, came Mike Ross, of Woodvale, out of the mines, with a badly smashed hand. All of these people were treated by Dr. R. B. Campbell, except Clyde Plummer. We might call it a bad day for hauncs.

The finest Coffee Substitute ever made, has recently been produced by Dr. Shoop of Racine Wis. You don't have to boil it twenty or thirty minutes. "Made in a minute" says the doctor. "Halth Coffee" is really the closest Coffee Imitation ever yet produced. Not a grain of real Coffee in it either. Health Coffee Imitation is made from pure toasted cereals or grains, with malt, nuts, etc. Really it would fool an expert—were he to unknowingly drink it for coffee. E. R. Mc'lane.

It calms the cough, and heals the sore and sensitive bronchial membranes. No opium or chloroform, not in harsh used to injure or suppress. You can't be well if you have a weak, unhealthy, tired out stomach. Neither can you feel good if by some little irregularity in eating you have caused the stomach to get out of order. These little stomach troubles are signs of indigestion, which may, and very often does turn into a very bad case of dyspepsia. Don't allow this to go on a single day without doing something to overcome it. Take some good reliable and safe digestant like Kodol For Dyspepsia. Kodol is the best remedy known to day for heartburn, belching, and all troubles arising from a disordered digestion. It is pleasant to take and affords relief promptly. Sold by Trout's drug store.

Farm Notes. Even if pastures are green it will not do to pasture too closely. Skim milk is about the best food for the growing pig you can supply. Ten dozen eggs a year is the average estimate given as the production of the hen. About four dozen eggs are given as an average for the annual output of the turkey. Whenever stock begin to scatter at the approach of their master he is not a kind master. It will require seven pounds of skimmed milk to equal one pound of lean beef for flesh forming qualities. Keep the calves growing. If stunted the first year there is a loss that never can be regained. Any animal that is worth raising, is worth raising well. The careful orchardist will see that any tree which has been injured receives prompt attention. Wounds made by careless cultivators should be bound to keep out water until the scar is healed.

Weak Women. To weak and ailing women, there is at least one way to help. But with that way, two treatments, must be combined. One is local, one is constitutional, but both are important, both essential. Dr. Shoop's Night Cure is the Local. The former—Dr. Shoop's Night Cure—lets vaginal mucus membrane suppository remedy, while Dr. Shoop's Restorative is simply an internal treatment, restoring vitality throughout the entire system, seeking the repair of all nerve, all tissue, and all blood elements. The "Night Cure", as its name implies, does its work while you sleep. It soothes and inflames mucous surfaces, breaks local weaknesses and discharges, while the Restorative, ceases nervous excitement, gives renewed vigor and ambition, builds up wasted tissues, leaving about renewed strength, vigor, and energy. Take Dr. Shoop's Restorative—Tablets or Liquid—a general tonic to the system. For positive local help, use as well Dr. Shoop's Night Cure. W. S. DICKSON.

Weak Hearts. Are due to indigestion. Ninety-nine of every one hundred people who have heart trouble can remember when it was simple indigestion. It is a scientific fact that all cases of heart disease, not organic, are not only traceable to, but are the direct result of indigestion. All food taken into the stomach which fails of perfect digestion ferments and swells the stomach, puffing it up against the heart. This interferes with the action of the heart, and in the course of time that delicate but vital organ becomes diseased. Mr. D. Kauble, of Nevada, O., says: "I had stomach trouble and was in a bad state as I had heart trouble with it. I took Kodol Dyspepsia Cure for about four months and it cured me." Kodol Digests What You Eat and relieves the stomach of all nervous strain and the heart of all pressures. Bottles only \$1.00. Size holding 2 1/2 times the trial size, which sells for 50c. Prepared by E. O. DeWitt & Co., CHICAGO.
