stomach has gone a little wrong,
or when you feel that it is not in
good order, 's is evidenced by
mean headaches, nervousness,
bad breath, and belching, take
something at times, and especial-

afforded. There is nothing bet-
ter offered the public to day for
stomach troubles, dyspepsia, in-

is a scientific preparation of nat-

vegetable acids, and it contains
the same juices found in every

Since the new two cent fare
law went into effect there has
been a dearth of the cent or pen-
nies with railroad men, on ac-
count of so many being used in
making change. The offices of
the Cumberland Valley Railroad
have been supplied with thou-
sands of the bright, new coins
with the 1907 stamp upon them.

Manya bright prospect has
been shattered, many a hope
blighted, many a future irremedi-
ably ruined, by the gossip's
tongue. There may not be ser-
ious intent to injure, neverthe-
less, birth is given to suspicious
and doubts which grow in intensi-
ty and force as time rolls on un-
til truth is powerless to resist.

If hunters generally were more
careful in the matter of throwing
down fences, tearing up stone
piles, etc., they would have more
consideration from the farmers.
It is such actions as these that
have put the land owners in ar-
ray against them.

Financial Conditions

Now beginning to show steady improvement. Premium on currency
has almost disappeared in New York City, while Banks in many cities
have resumed cash payments. Coupled with this is the report of the
Secretary of Agriculture, which makes agreeable reading. Here is no
story of depression and deficit—the grand total of farm produce reach-
es the stupendous value of \$7,412,000,000. Bankers predict that within
three months money will be a glut on the market.
With the advent of December, the holidays begin. Unloose your
purse strings, visit Ludwig's Jewelry Store, come in the morning if
possible, and avoid the afternoon crush. Sterling Silver Tableware
and diamonds make acceptable Xmas gifts; try it.
