The following are the topics to be discussed at the local institute at Buchanan's school, in Brush Creek township, on Friday evening, December 21st: 1. Personality of the Teacher. 2. Importance of Discipline in the School. 3. History: How Taught. 4. How to Teach Spelling.

There is something about Kennedy's Laxative Cough Syrup that makes it different from others, as it causes a free yet gentle action of the bowels, through which the cold is forced out of the system. At the same time, it heals irritation and allays inflammation of the throat and lungs. It is pleasant to take. Children like it. Contains no opiates nor narcotics. Sold at Trout's drug store.

Makes the Liver Lively.

Foley's Orino Laxative gives permanent relief in cases of habitual constipation, as it stimulates the liver and restores the natural action of the bowels without irritating these organs like pills or ordinary cathartics. Does not nauseate or gripe, and is mild and pleasant to take. Remember the name Foley's Orino Laxative, and refuse substitutes. Trout's drug store.

Rev. W. M. Hann, who was assigned recently to a charge at Clarington, Pa., writes that he and wife reached their new place of residence on the 14th ult. and found the weather several degrees colder than at McConnellsburg.

The people are very kind and generous, but a fellow does not need walk around with a chip on his shoulder very long until he will find some one ready to knock it off. It is a lumbering, oil, and gas community. The wells are anywhere from 800 to 2000 feet in depth, and gas is used for heating and lighting purposes among the farmers as well as in town. Teamsters and woodsmen are in demand, and later there will be plenty of work on the river. Plasterers would have little show there, for Mr. Hann says that he has not seen a plastered house since he has been there. The houses are generally comfortable—just lined on the sides and overhead, and then papered. Rabbits and raccoons are plenty, and not a few bears have been killed. Preachers get plenty of chicken and 'coon' to eat when visiting among their parishioners. He likes the place. The roads are smoother than in Fulton, but muddy in a wet time.

People Are Talking About It. Many people are talking about how quickly Foley's Honey and Tar cures coughs, colds, bronchitis, and all throat and lung troubles. Remember the name Foley's Honey and Tar and refuse to accept some unknown preparation of little or no merit which may contain some harmful drugs. The genuine contains no harmful drugs and is safe and sure. Trout's drug store.

Letters are being sent out by the authorities of the State Agricultural Experiment station warning the farmers and the investors of the state, of a smooth fraud that is being attempted to be worked on them. A company is trying to get money and to introduce a compound which they allege is fertilizer. It is said to contain various ingredients, one of which is sulphuric acid. The warning states that the stuff is not worth one tenth of what the acid will cost if it is placed in it.
