The youngest state, Oklahoma, furnishes the youngest member to the United States Senate, Senator Gore, who is but 37 years old. His career will be watched with much interest, as he is so young and totally blind; having lost his sight when a boy acting as a page in the State Senate of Mississippi.

It is very important and in fact it is absolutely necessary to health that we give relief to the stomach promptly at the first signs of trouble—which are belching of gas, nausea, sour stomach, headache, irritability and nervousness. These are warnings that the stomach has been mistreated; it is doing too much work and it is demanding help from you. Take something once in a while; especially after meals; something like Kodol For Dyspepsia and Indigestion. It will enable your stomach to do its work properly. Sold by Trout's drug store.

Our townsman Horace U. Nace is nursing a pair of broken ribs. Some time ago, he had the misfortune to fall in crossing a board fence and fracture two ribs, and last Sunday morning as he was busy at his home helping save his property from the fire in T. F. Sloan's property which is near, he slipped and fell on the board wall, which greatly aggravated the condition of the broken ribs. Since that time, he has been hardly able to get about.

If a cough once gets into your system it acts on every muscle and fibre of the body and makes you ache all over. It especially affects the intestines and makes you constipated, so in order to get rid of a cold thoroughly and without delay you should not take anything that will tend to constipate. Kennedy's Laxative Cough Syrup acts upon the bowels and thereby drives the cold out of the system. It contains no opiates—it is pleasant to take and is highly recommended for children. Sold by Trout's drug store.

FIRE IN HANCOCK.

A Number of Buildings Destroyed There Monday Morning.

HAGERSTOWN, Jan. 6.—Fire that broke out this morning shortly after midnight destroyed the Joffe and J. K. H. Grove buildings, at Hancock, and then spread to the Masonic Temple.

The blaze was discovered about 12:30 a. m., and then the Joffe building was doomed. The fire burned so fiercely that the bucket brigade could do practically nothing. The great heat prevented anyone from getting near enough to throw water on the fire.

From the Joffe building the blaze communicated to the Grove building and destroyed it.

At 1:30 o'clock the Masonic Temple caught fire and in a short time it was apparent that the handsome structure was doomed. J. G. Turner's store was located on the first floor, and the second floor was the opera house, which was leased by C. W. Boyer, of the Academy of Music, Hagerstown. The third and fourth floors were devoted to lodge rooms.

A call was sent to this place for aid. The Junior and Antitam fire companies were sent from Hagerstown by special train over the W. M. R. R.

The origin of the fire is a mystery. The loss is estimated at \$20,000 with about \$10,000 insurance.

How is Your Digestion?

Mrs. Mary Dowling of No. 228 8th Ave., San Francisco, recommends a remedy for stomach trouble. This great tonic and alterative medicine invigorates the system, purifies the blood and is especially helpful in all forms of female weakness. 50c. at Trout's drug store.

Heavy Snow Storm.

Whether the responsibility lies with the goose bone, the snakes that have recently been showing themselves, or with Hicks—the fact remains that on Tuesday, this county was visited by one of the worst blizzards that ever came over the mountain. Snow began falling early in the morning, and during the entire day until late at night, the air was dense with flakes flying, whirling—driven by the wind which seemed to be blowing most furiously from every point of the compass. With the exception of those who had left home early in the morning, or were away from home and had to return, every body kept as close the fire as possible. The western mail carrier could not get out with the mail in the afternoon, and the mail from the east came as far as Peltz, and hung up for the night. Wednesday morning found a snowfall of about 18 inches.
