Miss Mary Pensinger, aged 18, and Frederick E. Brandt, aged 21, both of Mercersburg, eloped to Hagerstown and were married Monday morning by the Rev. W. C. Griffith, at the minister's office. The bride wore a brown traveling costume.—Public Opinion.

It is very important and in fact it is absolutely necessary to health that we give relief to the stomach promptly at the first signs of trouble—which are belching of gas, nausea, sour stomach, headache, irritability and nervousness. These are warnings that the stomach has been mistreated; it is doing too much work and it is demanding help from you. Take something once in a while, especially after meals; something like Kodol For Dyspepsia and Indigestion. It will enable your stomach to do its work properly. Sold by Trout's drug store.

Mrs. Edith M. Barton, in a letter to Prof. Emery Thomas says: "In the proceeding of the Fulton County Institute, I see you were chairman of the Memorial committee. I wish to express my appreciation and thanks to the committee through you for the beautiful tribute paid my dear husband, the late Chas. E. Barton.

If a cough once gets into your system it acts on every muscle and fibre of the body and makes you ache all over. It especially affects the intestines and makes you constipated, so in order to get rid of a cold thoroughly and without delay you should not take anything that will tend to constipate. Kennedy's Laxative Cough Syrup acts upon the bowels and thereby drives the cold out of the system. It contains no opiates—it is pleasant to take and is highly recommended for children. Sold by Trout's drug store.

JR. O. U. A. M. DECISION.

Supreme Court Hands Down a Decision of Far Reaching Effect.
The decision handed down in the Supreme Court by Justice Potter on Monday, which permits the Duquesne Council, whose charter was revoked by the State Council of the Jr. O. U. A. M., to retain its property and beneficial funds has caused considerable uneasiness among similar organizations.

According to the general interpretation of the decision by members of the State order any subordinate council has the right to withdraw from the mother lodge at any time and take all its property and money with it.

His Neighbor's Cat.
A Cleveland lawyer tells of a man living in a suburb of that city whose sleep had been disturbed nightly by the howling on his own back fence of his neighbor's cat. At last, in despair, he consulted his lawyer.

"There sits the cat every night on our fence," explained the unhappy man, "and he yowls and yowls and yowls. Now, I don't want to have any trouble with this neighbor, but the thing has gone far enough, and I want you to suggest a remedy."

The lawyer looked solemn and said not a word.

"I am well within my rights if I shoot the cat, am I not?" asked the sufferer.

"I would hardly say that," replied the legal light. "The cat does not belong to you, as I understand it."

"No."

"And the fence does?"

"Yes."

"Then," concluded the lawyer, "I think it safe to say that you have a perfect right to tear down the fence."—Lippincott's.

How is Your Digestion?

Mrs. Mary Dowling of No. 228 8th Ave., San Francisco, recommends a remedy for stomach trouble. She says: "Gratitude for the wonderful effect of Electric Bitters in a case of acute indigestion, prompts this testimonial. I am fully convinced that for stomach and liver troubles Electric Bitters is the best remedy on the market to day." This great tonic and alterative medicine invigorates the system, purifies the blood and is especially helpful in all forms of female weakness. 50c. at Trout's drug store.

The Family Honor.

"Bobby," asked the teacher of the class in arithmetic, addressing the question to one of the younger pupils, "how many pints are there in a gallon?" "I've forgot it again, ma'am," said Bobby, who found it hard to commit to memory the tables of weights and measures.

Thinking that perhaps by turning from the abstract to the concrete she might succeed better in stimulating his power of recollection, the teacher tried another tack.

"Bobby," she said, "your father is a milkman, isn't he?"

"Yes, ma'am."

"Well, now, think as hard as you can. He sometimes sells a gallon can full of milk, doesn't he? Just so. Well, when he does, how many pints of milk are there in that gallon can?"

"It's all milk, ma'am!" indignantly exclaimed Bobby.

A Young George Washington.

"Thomas," said Mr. Smith, as he gazed into his son's eyes with a soul-searching look, "have you eaten any of those peaches I put in the cupboard?"

"Father," said Tommy, "I cannot tell a lie. I have not touched one."

Mr. Smith eyed him wrathfully, as he plunged his hand into the pocket of his coat, and drew forth five incriminating stones, which had each once been chshrined in the luscious flesh of a peach, but which were now staring in all their horrid nakedness.

"Then how is it," said the parent, "that I found these peach stones in your bedroom, and there is only one peach left in the cupboard?"

"Father," said Thomas, as he silently but swiftly left the room, and placed a chair in such a position that Mr. Smith would fall over it if he followed too quickly; "father, that is the one I never touched!"—Cassell's Journal.

HOW TO AVOID APPENDICITIS.

Most victims of appendicitis are those who are habitually constipated. Foley's Osmo Laxative cures chronic constipation by stimulating the liver and bowels and restores the natural action of the bowels. Foley's Osmo Laxative does not nauseate or gripe and is mild and pleasant to take. Refuse substitutes. Trout's drug store.

He Wouldn't Mind.

"Mark my words," declared Mrs. Ferme, laying down the law to her long-suffering husband, "by the end of the century, woman will have the rights she is fighting for."

"I shan't care if she has," replied Ferme.

"Do you mean it?" cried his wife. "Have I at last brought you round to my way of thinking? Won't you really care?"

"Not a bit, my dear," returned her husband, resignedly. "I'll be dead then."—Ti. Pitts.
