

Miss Ellawen Johnston is nursing a badly swollen arm, the result of having fallen on ice Monday.

**HIDES WANTED.**—Highest market price paid for beef hides, horse hides, wildcat skins, and all kinds of grease, at Paul Wagner's Tannery, McConnellsburg.

The many friends of Jacob Ambrose will learn with pleasure that he has just been granted a pension of thirty dollars a month.

**FARM FOR SALE.**—83 acres in Bethel township, good house and other out-buildings—all in good condition. For further information, call on or address Mrs. E. B. Lewis, Sideling Hill, Pa.

Don't forget the sale of Ira W. Diehl at Webster Mills, on Thursday of next week. Ira will sell a lot of good horses, harness, wagons, etc. See large bills.

Do you have backache occasionally, or "stitches" in the side, and sometimes do you feel all tired out, without ambition and without energy? If so, your kidneys are out of order. Take DeWitt's Kidney and Bladder Pills. They promptly relieve backache, weak back, inflammation of the bladder and weak kidneys. Sold by Trout's drug store.

Chief Game Protector Kabfus in his annual report to Governor Stuart, declares the common house cats most destructive to bird life and recommends that the state pay a bounty for killing them.

**HIDES.**—James Sipes & Son pay the highest market price for beef hides at their butcher shop in McConnellsburg, also highest price paid for calf skins, sheepskins and tallow.

J. Pierpont Morgan and Andrew Carnegie are seventy years old, and both of them boast of their good health, notes the New York American. But imagine J. Pierpont and Andrew walking from Portland, Maine, to Chicago, as seventy year old Weston did.

**Kodol For Dyspepsia and Indigestion** is the result of a scientific combination of natural digestants with vegetable acids and contains the same juices found in a healthy stomach. It is the best remedy known today for dyspepsia indigestion and all troubles arising from a disordered stomach. Take Kodol today. It is pleasant, prompt and thorough. Sold by Trout's drug store.

A citizen of Knobsville requests us to say through the News that unless the boys who are in the habit of shooting along the highway in that neighborhood, desist from this dangerous practice, prosecution will follow without fear or favor.

It is very important and in fact it is absolutely necessary to health that we give relief to the stomach promptly at the first signs of trouble—which are belching of gas, nausea, sour stomach, headache, irritability and nervousness. These are warnings that the stomach has been mistreated; it is doing too much work and it is demanding help from you. Take something once in a while; especially after meals; something like Kodol For Dyspepsia and Indigestion. It will enable your stomach to do its work properly. Sold by Trout's drug store.

The Rockhill Furnace at Orbisona was blown out a few days ago. The furnaces would have been in operation six years, had it run until next March. It was stopped for three months during this time for repairs. Between 250 and 300 men are thrown out of employment by the closing down of the furnace, coke ovens and Grove stone quarry. The shut down is indefinite owing to the present conditions of the iron market. The Rockhill Furnace Company paid out on an average for labor, etc., about \$7000 per month. Several thousand tons of iron are stacked in the yard for shipment. It is to be hoped that our iron industry will not remain idle long.

**Antiseptic Barber Shop.** Special precautions are used against infectious germs at C. A. Martin's barber shop, next building east of the Fulton House. Razors, shears, mugs, towels, brushes, etc., are sterilized before being used on a customer.

**Coffee As a Remedy for Asthma.** Coffee is a very excellent remedy for asthma. Those who do not know how to cut short their attacks and have not tried coffee should do so by all means. It often succeeds admirably when all most everything else has failed. There are one or two little points to be attended to in taking coffee for asthma.

In the first place it should be very strong—in fact, perfectly black. Weak coffee does more harm than good. If made very strong, much of it need not be taken; a large quantity is a positive disadvantage, for it is less rapidly absorbed and only distends the stomach. Then it should be given without sugar or milk, pure "cafe noir." It should be given on an empty stomach, for when taken on a full stomach it often does harm by putting a stop to the process of digestion.—Family Doctor.

**HOW TO AVOID APPENDICITIS.** Most victims of appendicitis are those who are habitually constipated. Foley's Osmo Laxative cures chronic constipation by stimulating the liver and bowels and restores the natural action of the bowels. Foley's Osmo Laxative does not nauseate or gripe and is mild and pleasant to take. Refuse substitutes. Trout's drug store.

**Troubles Never Come Singly.** There is an old saying "that troubles never come singly," and the truth of it is being verified so far as ye country editor is concerned. Only a short time ago the Paper Trust advanced the price of white news paper so high that nearly every newspaper in the land that had been charging \$1.00 a year was forced to raise the price to \$1.50 or \$2.00 a year. After yards of editorials had been published about the raise in price, and some of their best subscribers had discontinued their papers the Postoffice Department "bobs up" serenely with a ruling that subscribers to newspapers can't be trusted any longer and unless they pay every year the paper can't be mailed as second class mail matter. It looks now as if the country editor will soon be but a "few days and full of trouble."

**A CARD.** This is to certify that all druggists are authorized to refund your money if Foley's Honey and Tar fails to cure your cough or cold. It stops the cough, heals the lungs and prevents serious results from a cold. Cures la grippe coughs and prevents pneumonia and consumption. Contains no opiates. The genuine is in a yellow package. Refuse substitutes. Trout's drug store.

**Local Institute.** The fifth local institute held at Hustontown January 17th was called to order by the teacher, D. K. Chesnut. The following questions were discussed: "English; Value of; How taught," "Cultivation of Thought—How retained," "How can we, as teachers, better prepare ourselves for the great work in which we are engaged?" The following teachers were present and took part in the discussions: W. H. Ranck, W. G. Wink, L. P. Morton, A. D. Peightel, Myrtle Stevens, and Estella Laidig.

A number of recitations and songs were well delivered by the school.

**How is Your Digestion?** Mrs. Mary Dowling of No. 228 8th Ave., San Francisco, recommends a remedy for stomach trouble. She says: "Gratitude for the wonderful effect of Electric Bitters in a case of acute indigestion, prompts this testimonial. I am fully convinced that for stomach and liver troubles Electric Bitters is the best remedy on the market to day." This great tonic and alterative medicine invigorates the system, purifies the blood and is especially helpful in all forms of female weakness. 50c. at Trout's drug store.
