Huston at Sathillo is paying 11c a pound for chickens and 24c doz. for eggs this week.

Grant Baker has just sold two of his farms—last week, the Edward Horton farm on Clear Ridge to John Gladfelter, and this week, the Kemp farm north of Knobsville, to Charlie Brubaker. Mr. Baker says he has two other farms that he will sell.

It depends upon the pill you take. DeWitt's Little Early Risers are the best pills known for constipation and sick headache. Sold by Trout's drug store.

Mrs. Lillian Bernhardt, who went to Dowling Park, Florida a few weeks ago, says she finds that place a little too far north to suit her, and she has removed to Bradentown. She also states that Florida is having a siege of grippe same as in the north.

When you want the best, get DeWitt's Carbolic Witch Hazel Salva. It is good for little or big cuts, boils or bruises, and is especially recommended for piles. Sold by Trout's drug store.

Leaving a note that death had no terrors for him but that life had, Peter Wright, aged fifty one year, committed suicide at a boarding house in West Philadelphia last Thursday by turning on the gas in his room. The letter was addressed to Bright's brother, a resident of Pleasantville, N. J., near Atlantic City.

It is a cough once gets into your system it acts on every muscle and fibre of the body and makes you ache all over. It especially affects the intestines and makes you constipated, so in order to get rid of a cold thoroughly and without delay you should not take anything that will tend to constipate. Kennedy's Laxative Cough Syrup acts upon the bowels and thereby drives the cold out of the system. It contains no opiates—it is pleasant to take and is highly recommended for children. Sold by Trout's drug store.

Vote Down Township Grant.

The cash road tax is growing in favor in Fulton county. Several more townships will vote upon it at the February election. Their citizens will not be wise in their generation if they do not adopt the cash system and do away at once and forever until the extravagant, unbusiness, graft breeding work tax. Too many people loaf out their work tax, instead of working it out; and under the system of payment, as commonly practised, too many substitute workers fail to work at all.

The cash system of doing business is always the most economical and the most satisfactory from every point of view, and it applies to public as well as to private business. The taxpayer who does not want to work his road tax, out by day labor, or with horses and wagons and scoops and plows, pays the amount in cash under the work tax system. Just the same under the cash tax system, the work tax workers, if they do an honest day's toil, can usually get enough employment on the roads to earn all they pay in taxes and, possibly, more. The transaction remains practically the same, save that the loafers and the grafters are eliminated from it.

It is a consummation which every intelligent and honest taxpayer should desire, and should make effective by his vote.

Pennsylvania Breeders' Meeting and Corn Show.

The Ninth Annual Meeting and Second Annual Corn Show of the Pennsylvania Live Stock Breeders' Association will be held at the Monongahela House, Pittsburgh February 5 and 6. It is all free, admission and entrance fees to the Corn Show cost nothing. All farmers and breeders, whether members of the Association or not, are invited to participate. Prizes for the Corn Show are mostly in cash, 53 prizes in all, but they include a \$25 Silver Cup and a few other articles of value to corn growers. Prizes are offered, in addition to those 10 ears, for the best ear, the biggest ear, freak ear, etc., and they are open to boys and girls too.

The speakers at the meeting include such men as these: Dick Stone, the famous sheep breeder and feeder, of Illinois; C. L. Taggart, Washington, Pa., who won the carcass championship at the late International on his steer; D. F. Maroney, who is at the head of the Dairy Farmers' Co., of Pittsburgh; Dr. Thos. F. Hunt, Dean of the School of Agriculture at Pennsylvania State College, who will discuss Alfalfa; Prof. J. W. Gilmore, Agronomist of the Pennsylvania Experiment Station who will talk about corn; Dr. Carl W. Gay, late of the Ohio State University, now of the Pennsylvania Department of Agriculture, will discuss the new stallion law; Dr. Leonard Pearson, State Veterinarian, will talk about State meat inspection under the new law, and butchers should not miss this opportunity to see and hear him; Dr. H. P. Armsby, head of the Institute of Animal Nutrition, Pennsylvania Experiment Station, will discuss Balanced Rations for Cattle. "Live stock and feeding crop"—these are the ideas of this meeting and it is worth much to hear such men discuss them. A copy of the report of the 1907 meeting will be mailed to any address on receipt of 5c. postage. For particulars as to corn show and meeting apply to E. S. Bayard, East End, Pittsburgh, Pa.

Buenos Ayres. Seven Years of Proof.

Buenos Ayres is already one of the most magnificent cities in the world. Enormous sums have been laid out in widening the streets and erecting splendid buildings. But apparently the Argentines are not yet content for the Chamber has just authorized the raising of a new municipal loan of £3,000,000 "for the purpose of improving and embellishing the city." This is probably due to jealousy of Rio de Janeiro, for the Brazilians have recently spent a good deal of money in beautifying their capital, and the Buenos Ayrians are determined not to be beaten in the race of luxury.—London Globe.

"I have had seven years of proof that Dr. King's New Discovery is the best medicine to take for coughs and colds and for every diseased condition of throat, chest or lungs," says W. V. Henry, of Panama, Mo. The world has had thirty-eight years of proof that Dr. King's New Discovery is the best remedy for coughs and colds, lagrippe, asthma, hay fever, bronchitis, hemorrhage of the lungs, and the early stages of consumption. Its timely use always prevents the development of pneumonia. Sold under guarantee at Trout's drug store. 50c and \$1.00. Trial bottle free.
