Letter to SHERIFF ALEXANDER, McConnellsburg, Pa.

Dear Sir: Paint goes by gallons. There are useful and useless gallons.

This stuff is put-in, because it is cheap, to stuff-out the paint, to make more gallons to sell.

It costs as much to brush-on this useless stuff as lead-zinc-and-oil.

Average paint at full price is about one third this useless stuff, and average paint at \$1.25 or \$1.50 or \$1.75 a gallon is two-thirds trash.

Yours truly F. W. DEVOE & Co. P. S. J. A. Boyd, Mercersburg and Norman O. Huber Chambersburg, sell our paint.

THOMPSON.

Mumps are prevalent in Thompson just now—especially in the lower end of the township.

A DANGEROUS OPERATION

WHIPS COVE.

Our farmers are sitting around the fire these days eating their white bread, for on account of the bad condition of the road, lagrippe is taking the middle. Alfred Layton was visiting friends in Bedford county Sunday.

SIMPLE REMEDY FOR LA GRIPPE.

La grippe coughs are dangerous, as they frequently develop into pneumonia. Foley's Honey and Tar not only stops the cough but heals and strengthens the lungs so that no serious results need be feared.

The supervisors of Washington and Quincy townships, in Franklin county, met last Saturday afternoon and made joint application for state aid for a road leading from Waynesboro to Quincy, a stretch of four miles.

While the citizens of Franklin and Bedford counties are falling over themselves to get all the money out of the State possible for the building of good roads, the people of little Fulton are doing away, content with helping to pay for good roads in other counties.

Weak Hearts

Are due to indigestion. Ninety-nine of every one hundred people who have heart trouble can remember when it was simple indigestion. It is a scientific fact that all cases of heart disease, not organic, are not only traceable to, but are the direct result of indigestion. All food taken into the stomach which fails of perfect digestion ferments and swells the stomach, puffing it up against the heart. This interferes with the action of the heart, and in the course of time that delicate but vital organ becomes diseased.

Kodol Digests What You Eat and relieves the stomach of all nervous strain and the heart of all pressure. Bottles only. \$1.00 Size holding 2 1/2 times the size, which sells for 50c. Prepared by E. O. DEWITT & CO., CHICAGO.

GROOMING COUNTS. But it cannot make a Fair Skin or a Glossy Coat. Women with good complexions cannot be lonely. Creams, lotions, washes and powders cannot make a fair skin. Every horseman knows that the skin coat of his thoroughbred comes from the animal's "all-right" condition. Let the horse get "off his feed" and his coat turns dull. Currying, brushing and rubbing will give him a clean coat, but cannot produce the coveted smoothness and gloss of the horse's skin, which is his complexion. The ladies will see the point. Lane's Family Medicine. Is the best preparation for ladies who desire a gentle laxative medicine that will give the body perfect cleanliness internally and the wholeness that produces such skins as painters love to copy.
