Senator and Mrs. W. Scott Alexander entertained a large company of their friends at their home on West Water street Tuesday evening.

The trouble with most cough remedies is that they constipate. Kennedy's Laxative Cough Syrup acts gently but promptly on the bowels and at the same time it stops the cough by soothing the throat and lung irritation. Children like it. Sold by Trout's drug store.

Dr. and Mrs. W. F. Sappington entertained a large company of their friends last Thursday evening at their pleasant home at Webster Mills.

Bert Barber, of Elton, Wis., says: "I have only taken four doses of your Kidney and Bladder Pills and they have done for me more than any other medicine has ever done. I am still taking the pills as I want a perfect cure." Mr. Barber refers to DeWitt's Kidney and Bladder Pills. They are sold by Trout's drug store.

Our citizens were very agreeably surprised on Tuesday evening to hear sweet strains of music upon the air. In an incredibly short time quite a crowd had assembled at the diamond and were surprised to see the McConnellsburg Band in their nobby uniforms. The Fulton boys have a very kind regard for a little serenade. Although the streets were bad, they paraded the town and played several beautiful and pleasing select ones. This is a band that has been playing only a year or two but from the way they take interest in their music we predict for them a very bright future.—Fort Loudon Correspondent of Chambersburg Public Opinion.

Everything taken into the stomach should be digested fully within a certain time. When you feel that your stomach is not in good order, that the food you have eaten is not being digested, take a good, natural digestant that will do the work the digestive juices are not doing. The best remedy known to day for all stomach troubles is Kodol, which is guaranteed to give prompt relief. It is a natural digestant; it digests what you eat, it is pleasant to take and is sold here by Trout's drug store.

The World Never Saw Its Like.
In the seven years of its existence, United States Steel has earned net the stupendous sum of \$888,000,000, or an average of almost \$120,000,000 a year. After deducting all charges and preferred dividends, the average surplus amounted approximately to 8 1/2 per cent on the \$508,000,000 of common stock. In other words the \$250,000,000 earned in seven years by United States Steel over and above all other obligations and applicable to the common stock, proves that the latter represents more than "water."

Medicine That is Medicine.
"I have suffered a good deal with malaria and stomach complaints, but I have now found a remedy that keeps me well, and that remedy is Electric Bitters, a medicine that is medicine for stomach and liver troubles, and for run down conditions," says W. C. Kiestler, of Halliday, Ark. Electric Bitters purify and enrich the blood, tone up the nerves, and impart vigor and energy to the weak. Your money will be refunded if it fails to help you. 50c at Trout's drug store.

Landlord Fisher Injured.
Last Friday afternoon while Harry K. Fisher, proprietor of the Fisher House, and John Simpson, one of the managers of the Pastime Theatre, were enjoying a sleigh ride they encountered an obstacle which upset the sleigh and hurled the occupants into a snowbank. Mr. Simpson though uninjured was a veritable "snowball." Landlord Fisher was less fortunate, having three ribs broken. He is able to be up and around at this time.—Bedford Gazette.
[Harry Fisher is a son of John R. Fisher formerly of this county, and a nephew of Mrs. S. B. Woollet of this place.—Editor.]

It Died Last Night

in McConnellsburg, alone and without a murmur or any indication of approaching trouble, it calmly gave up the struggle.
Poor thing, no wonder it died: its vital parts clogged with the accumulated filth of six long years, without any attention whatever to its needs, can you wonder that it ceased to tick.
The best of watches will die unless they receive proper treatment—have your watches cleaned and fresh oil applied at least once a year, and thus prolong their usefulness. We have good watch doctors in our repairing department.

The following mathematical puzzle will start your thinker going and will do you good. Try it. A boy went to a store for change for a dollar. He told the grocer that he wanted his change in pennies, nickels and dimes and that he wanted exactly fifty pieces. How many pennies and dimes were there? Can you find the answer?
