Letter to L. Hohman, McConnellsburg Pa.

Dear Sir: Say milk is worth 8c a quart. If $\frac{1}{2}$ water and sold at 8c, the milk in it fetches 12c a quart.

If $\frac{1}{2}$ water, 10c.
 If $\frac{1}{3}$ water, 24c.
 If $\frac{1}{4}$ water, 32c.

That's rather too stiff for milk; but watered paint is sold in all those proportions.

Pure paint (Devoo) is sold for \$1.75 a gallon.

"Paint" at that price and $\frac{1}{2}$ white-wash fetches \$2.62 a gallon for the paint part of it.

"Paint" $\frac{1}{2}$ whitewash fetches \$3.50 a gallon for the paint in it.

"Paint" $\frac{1}{3}$ whitewash fetches \$7.00 a gallon for the actual paint it contains.

And people are paying all these prices for paint, when they buy adulterated paints. There are 200 such: only one Devoo.

Yours truly
 F. W. DEVOE & Co.

P. S. J. A. Boyd, Mercersburg and Norman O. Huber Chambersburg, sell our paint.

There seems to be a growing sentiment everywhere throughout the country that Roosevelt will be forced to the front as a candidate for another term and that Bryan is the only man who at the present time stands much of a chance for the democratic nomination.

A DANGEROUS OPERATION

is the removal of the appendix by a surgeon. No one who takes Dr. King's New Life Pills is ever subjected to this frightful ordeal. They work so quietly you don't feel them. They cure constipation, headache, biliousness, and malaria. 25c at Trout's drug store.

A surprise party in honor of the birthday of Mrs. C. L. Funk, near Needmore, was held at her home last Monday. About fifty people enjoyed the festivities and the hospitality of their host and hostess. All report a very pleasant time. Many were prevented from being there on account of so much sickness in the neighborhood. Mrs. Funk was the recipient of many nice and useful remembrances of the pleasant occasion.

THIS IS WORTH READING.

Leo F. Zelniski, of 68 Gibson St., Buffalo, N. Y., says: "I cured the most annoying cold sore I ever had, with Bucklen's Arnica Salve. I applied this salve once a day for two days, when every trace of the sore was gone." Heals all sores. Sold under guarantee at Trout's drug store. 25c.

A very pleasant sled load of friends spent Monday evening of this week in the home of Mr. and Mrs. Easton Stinson near Knobsville. The party was composed of Walter Anderson and daughter Blanche; Nat Rotz, wife and four sons; George Kelso and daughters Mary and Julia; Miss Nellie Barmon and brother Harvey; John Everts and Miss Lina Snyder. After eating some fine apples and having some music, the party left for home. Come again; we were glad to see you.

Medicine That is Medicine.

"I have suffered a good deal with malaria and stomach complaints, but I have now found a remedy that keeps me well, and that remedy is Electric Bitters, a medicine that is medicine for stomach and liver troubles, and for run down conditions," says W. C. Kiestler, of Halliday, Ark. Electric Bitters purify and enrich the blood, tone up the nerves, and impart vigor and energy to the weak. Your money will be refunded if it fails to help you. 50c at Trout's drug store.

WHAT EVERYBODY WANTS.

Everybody desires good health, which is impossible unless the kidneys are healthy. Foley's Kidney Remedy corrects irregularities and cures all forms of kidney or bladder disorders. Take Foley's Kidney Remedy at once and prevent Bright's disease and diabetes. Trout's drug store.

SALUVIA.

Snow! Snow! Some of our roads are drifted shut, and sleds and sleighs are driven through the fields.

Mrs. Leonard Hockensmith is very sick at this time.

We are glad to see our friend Captain Dixon is able to be out again.

Miss Annie Mann is suffering from a very sore eye.

D. F. Mellott and wife are both on the sick list.

Miss Ettie Hann, of Everett is visiting friends in this community.

Our fox hunters have been quite successful in capturing the "grays" this winter. D. E. Mellott has caught five, Rowland Sharpe, four; Howard H., two; Jones Mellott, one; uncle John Hann, one—making a total of thirteen less of that destructive animal to prey on our rabbits, pheasants and turkeys.

There will be a number of our people change place of residence this spring.

Marked for Death.

"Three years ago I was marked for death. A grave-yard cough was tearing my lungs to pieces. Doctors failed to help me, and hope had fled, when my husband got Dr. King's New Discovery," says Mrs. A. C. Williams, of Bac, Ky. "The first dose helped me, and improvement kept on until I had gained 55 pounds in weight, and my health was fully restored." This medicine holds the world's healing record for coughs and colds and lung and throat diseases. It prevents pneumonia. Sold under guarantee at Trout's drug store. 50c and \$1.00. Trial bottle free.

NEW GRENADA.

Hert McClain has been on the sick list during the past week. Four of Jacob Black's children have chicken pox. Blanche Cromer, of Fort Littleton, visited friends here a day and night during the past week. John Houck is nursing a very sore finger. Harry Shafer, of Kearney, spent a few days with his parents here. Mrs. Guy Weaver, of Sallitillo, is visiting in the Mills family. She is making preparation to leave for Streator, Ill., where her husband now is—having sold his mercantile business at Sallitillo, and is now engaged solely in the shoe business. Sorry to see them leave, but our best wishes go with them. Charles Alloway and family of Broadtop City, visited friends here last Saturday and Sunday. J. F. McClain had an accident at his sawmill last Friday. The large circular saw ran into one of the steel dogs, damaging the saw. No one was hurt but the fire flew lively for a short time. The Oddfellows here had a "blow-out" in the Hall last Saturday night—a real old-fashioned oyster supper with some "side dishes" mixed in. The occasion was very enjoyable. Richard Alloway was housed Saturday and Sunday with grippe. W. J. Crider and son Carl, of Woodvale, visited Jacob Crider, and furnished some good crephophone music Saturday evening.

NO CASE ON RECORD.

There is no case on record of a cough or cold resulting in pneumonia or consumption after Foley's Honey and Tar has been taken. It stops the cough and breaks up the cold quickly. Refuse any but the genuine Foley's Honey and Tar in a yellow package. Trout's drug store.

A few evenings ago, a dog was noticed prowling about the premises of Job Truax, in Belfast township. The dog wore a big collar which bristled with nails filed so sharp that the dog looked like a ten-year-old porcupine. That night, in attempting to leap over the fence into the garden the collar caught on the top of one of the palings, and the only thing that saved the dog from a hanging match was his ability to slip his head through the collar and escape. Mr. Truax has the collar, and is waiting for the owner to "come forward, prove property, pay damages, and take the collar away."

Weak Hearts

Are due to indigestion. Ninety-nine of every one hundred people who have heart trouble can remember when it was simple indigestion. It is a scientific fact that all cases of heart disease, not organic, are not only traceable to, but are the direct result of indigestion. All food taken into the stomach which fails of perfect digestion ferments and swells the stomach, puffing it up against the heart. This interferes with the action of the heart, and in the course of time that delicate but vital organ becomes diseased.

Mr. D. Knoble, of Nevada, O., says: "I had stomach trouble and was in a bad state as I had heart trouble with it. I took Kodol Dyspepsia Cure for four months and it cured me."

Kodol Dyspepsia Cure What You Eat and relieves the stomach of all nervous strain and the heart of all pressure. Bottles only \$1.00. Size holding 24 times the trial size, which sells for 50c.
