CONDENSED FOR HURRIED READERS

Our old friend Philip Snyder, of Tod, has been quite poorly for several days.

Mr. John Riha, of Vining, Ia., says "I have been selling DeWitt's Kidney and Bladder Pills for about a year and they give better satisfaction than any pill I ever sold. There are a dozen people here who have used them and they give perfect satisfaction in every case. I have used them myself with fine results." Sold by Trout's drug store.

A woman in Indiana adopted a novel plan to get even with a drunken husband who had long heaped abuse upon her. Last week one day when he had relapsed into a drunken stupor and was put to bed she got busy and sewed up her spouse in a blanket so securely that he could not move, and then applied a horse whip until he roared for mercy and made promises to reform and signed a pledge not to drink any more.

Last Saturday Mr. Hiram Clevenger took Mrs. Clevenger, Mrs. Villa Gehret, Mable Jackson, Mrs. Mentzer, Mrs. Louisa Jackson, Thos. Gehret, Mrs. Evelyn Jackson, Rush Jackson, Mrs. Roettger and Bessie Gehret up to Mrs. Jacob Sharp's, about two miles north of Knobsville. Mrs. Sharp had a fine dinner prepared which was much enjoyed by the visitors. After dinner there was some music and then the party started for home.

This is what Hon. Jake Moore, State Warden of Georgia, says of Kodol For Dyspepsia: "E. C. DeWitt & Co., Chicago, Ill.—Dear Sirs—I have suffered more than twenty years from indigestion. About eighteen months ago I had grown so much worse that I could not digest a crust of corn bread and could not retain anything on my stomach I lost 25 lbs.; in fact I made up my mind that I could not live but a short time, when a friend of mine recommended Kodol. I consent to try it to please him and I was better in one day. I now weigh more than I ever did in my life and am in better health than for many years. Kodol did it. I keep a bottle constantly, and write this hoping that humanity will be benefited. Yours very truly, Jake C. Moore, Atlanta, Aug. 10, 1904." Sold by Trout's drug store.

John M. Kerlin is in town last Saturday. While he and George Glunt were in the woods cutting logs for Grant Baker on the last day of January, he met with an accident that might have cost him his life. They had just finished chopping down a big pine and stepped back to await its fall, when a large white oak limb that had been dislodged by the falling pine, came down and struck Mr. Kerlin a terrible blow on the shoulder and back, crushing him to the ground. He has not been able to work since. The Fates seem to be on his track, for two years ago, while lumbering in Allen's Valley, a limb fell in much the same way and broke a bone in one of his legs, putting him out of commission for awhile, and a few days before his last accident, a dead white oak limb struck him a violent blow on the head.

Rank Foolishness.
"When attacked by a cough or a cold, or when your throat is sore, it is rank foolishness to take any other medicine than Dr. King's New Discovery," says C. O. Eldridge, of Empire, Ga. "I have used New Discovery seven years, and I know it is the best remedy on earth for coughs and colds, croup, and all throat and lung troubles. My children are subject to croup, but New Discovery quickly cures every attack." Known the world over as the King of throat and lung remedies. Sold under guarantee at Trout's drug store 50c. and \$1.00. Trial bottle free.

THOMPSON.
We see our friend W. R. Myers, around again after a severe attack of mumps. He says he would not have that kind of mumps again for \$100.
G. C. Sipes is moving to his farm near Dickey's Mountain, recently purchased from John Hess.
H. P. Bernhardt will move to R. C. Graves's tenant house next week.
Mrs. Wilson Myers started Tuesday for Johnston where she expects to spend a few days with her daughter Mrs. Martin Dyer.

A Cure For Malaria.
"I have found a cure for the misery malaria poison produces," says R. M. James, of Louellen, S. C. "It's called Electric Bitters, and comes in 50 cent bottles. It breaks up a case of chills or a bilious attack in almost no time; and it puts yellow jaundice clean out of commission." This great tonic medicine and blood purifier gives quick relief in all stomach, liver and kidney complaints and the misery of lame back. Sold under guarantee at Trout's drug store.

HOLD UP.

Bethel Township's Popular Constable Caught Napping. No Serious Results.

On the 26th of February, J. O. Fisher, Bethel township's popular constable found himself surrounded by a large number of apparently hungry people. Fortunately they did not attempt to do him any violence, for the surrounding was at the dinner table at his home, and the table was laden with such a variety of appetizing viands, that the "mob" was too busy in their attack on the good things to eat.

Among the guests were people from Johnstown, Warfordsburg, Needmore, Pleasant Grove, Dot, and Sideling Hill, and they were entertained after dinner very pleasantly with music, games, etc., till 2 o'clock when amid many good wishes and good nights, the guests departed.

A Life At Stake.

Your life may be at stake when you notice any sign of kidney or bladder trouble as Bright's disease and diabetes start with a slight irregularity that could be quickly cured by Foley's Kidney Remedy. Commence taking it at the first sign of danger. Trout's drug store.

The Mechanics Band of this place will give a free concert on Saturday evening, March 21, 1906, in the J. O. U. A. M. Hall. The program consists of both vocal and instrumental music. Great preparations have been made by the band and orchestra to furnish better music than ever before, and a continuous concert will be given from 8 to 11 o'clock. "Something don't ell the time." So don't stay at home, but come and bring all your friends. Oysters, Stewed Chicken, and Ice-Cream will be served.

On Saturday evening, March 14th, Rev. Harry Daniels will deliver a lecture in the M. E. church at this place, subject—"America and the Americans." Judging from the Reverend's ability to lecture, we believe this will be a treat. Everybody is cordially invited to attend, as no admission fee will be charged.

Institute.

The sixth educational meeting of Brush Creek township, was held at Oak Grove School, Friday night, Feb. 26. The meeting was called to order by the teacher, Albert C. Garland, when Mr. Simon N. Garland was elected chairman.

The following questions were well discussed by the teachers present: 1st. The Duty of the Teacher? Of the Patron? 2nd. Arithmetic. 3rd. Interest. How Obtained?

A well prepared literary program was well rendered by the school. This speaks very high for the pupils and also the teacher.

Stylographic Pens

More recently known as "Ink Penolls," have taken a very great stride in popularity during the past year. This is due to the perfection of manufacture, after many years of continual improvement. The great advantage of the new "Bacon Stylos" over all other makes, is the adjustable spring needle. It is arranged on a silver yoke and spring, is very simple and easily adjusted, producing a perfect writer, long life, and cleanliness, will always write and clean itself by the vibrating needle, and will not, cannot leak.
