Foley's Orino Laxative is sold under a positive guarantee to cure constipation, sick headache, stomach trouble, or any form of indigestion. If it fails, the manufacturers refund your money. What more can any one do.

Every farmer and mechanic can help to restore confidence in the community in which he lives by dealing with his home concerns—merchants and tradespeople generally. Indirectly every man who is benefited by prosperous times injures himself when he sends his money away for merchandise, or supplies of any kind, that he can buy at home.

Be careful about that little cough. Get something right away; some good, reliable remedy that will move the bowels. Kennedy's Laxative Cough Syrup acts gently yet promptly on the bowels and always inflammation at the same time. It is pleasant to take and it is especially recommended for children, as it tastes nearly as good as maple sugar. Sold by Trout's drug store.

I wonder if many housekeepers know that boiling sugar with an acid changes the sugar to glucose. One pound of sugar has as much sweetening power as two and one-half pounds of glucose, consequently one pound of sugar stirred into fruit after it is cooked and while still warm will make the fruit as sweet as two and a quarter pounds when the fruit is boiling. If this fact was more widely known, the economy in the sugar bill in some households would be surprising.

Price Reduction

You will find all prices in my Chinaware line reduced until April 10th. Some very interesting prices.

GOLDSMITH THE TAILOR

Half Fare For Clergymen.

The Pennsylvania Railroad will renew the half fare tickets to clergymen on March 1. The matter was held up by the court pending the court decision on the 2-cent-a-mile rate bill passed by the Pennsylvania Legislature. It was urged that if this law was sustained the privilege heretofore granted to clergymen might be rescinded, as the company could not operate its passenger trains in that State profitably under the law. Therefore, full fare would have to be demanded of all patrons. The courts have recently decided the law unconstitutional, and the railroad will renew the ministerial favor.

THOUSANDS PERISH.

Thousands perish every year from consumption resulting from a cold. Foley's Honey and Tar cures the most obstinate racking coughs and expels the cold from your system and prevents consumption and pneumonia. It has cured many cases of incipient consumption. Trout's drug store.
