

Letter to T. J. Comer, McConnellsburg Pa.

Dear Sir: Todd & Downing, contractors and builders, Morgan City, La. have painted Devoe for 3 or 4 years. They say it takes less gallons Devoe than of any other paint they have used. That means that a job costs less with Devoe; not only for paint, but for labor as well.

They paint nothing else, Devoe exclusively.

They have said nothing about the comparative wear of Devoe and others; oversight, may be; perhaps too soon for that. But Devoe is the strongest paint; that's why least gallons; best wear, same reason. Least cost and longest time between jobs.

Yours truly F. W. Devoe & Co.

P. S. J. A. Boyd, Mercersburg and Norman O. Haber, Chambersburg, sell our paint.

Among those students who will wear class honors at the commencement exercises at the Mercersburg Academy, June 3, is W. W. Hoover, of Hustontown, this county, who will deliver one of the orations.

A Railroad Man's Prayer.

A railroad man was converted so the story goes, and was asked to lead in prayer. This is the way he worded it: "O Lord, now that I have flagged the devil, lift up my feet from the rough road of sin, and plant them safely on the deck of the train of salvation. Let me use the safety lamp of prudence, make all the coupings in the train with the strong link of Thy love, and let my lantern be the Bible. And, Heavenly Father, keep all switches closed that lead off on the sidings, especially those with a blind end. O Lord, if it be Thy pleasure, have every semaphore block along the line show the white light of hope, that I may make the run of life without stopping. And, Lord, give us the Ten Commandments for a schedule, that when I have finished the run on schedule time, pulled into the great dark station of Death, may 'Thou, the Superintendent of the universe, say 'Well done, thou good and faithful servant, come and sign the pay roll and receive your check for eternal happiness.'"

The Jumping Off Place.

"Consumption had me in its grasp; and I had almost reached the jumping off place, when I was advised to try Dr. King's New Discovery; and I want to say right now, it saved my life. Improvement began with the first bottle, and after taking one dozen bottles I was a well and happy man again," says George Moore, of Grimesland, N. C. As a remedy for coughs and colds and heal er of weak, sore lungs and for preventing pneumonia, New Discovery is supreme. 50c and \$1.00 at Trout's drug store. Trial bottle free.

Judge Orvis of Centre county gave the constables of that county some very pointed instructions as to their duties, when they made their quarterly return to court. The Bellefonte Daily News says that after their returns were made the Judge addressed them in regard their duties as constables. Especially did he call their attention to violations of the liquor laws by hotels, etc. He said it was their duty to keep a sharp lookout, see that the hotels are properly conducted for the benefit of the traveling public, bars closed at the proper hour, and no liquor sold to minors or men of intemperate habits. The constables he said were the proper people to make the complaint.
