Mr. John Riba, of Vining, Ia., says: "I have been selling DeWitt's Kidney and Bladder Pills for about a year, and they give better satisfaction than any pill I ever sold. When you think of indigestion think of Kodol, for it is without doubt the only preparation that completely digests all classes of food. And that is what you need when you have indigestion or stomach trouble—something that will act promptly but thoroughly; something that will get right at the trouble and do the very work itself for the stomach by digesting the food that you eat, and that is Kodol. It is pleasant to take. It is sold at Trout's drug store.

While in Philadelphia a few days ago, through the courtesy of John A. Wister, formerly in the Milling business at Foltz, we enjoyed very much a ride in a big Elsmore aut., over some forty miles of the splendid roads in the near vicinity of the City. Mr. Wister went to Philadelphia about four years ago and went into partnership with a Mr. Gawthrop in the sale of the Elsmore automobile, and has met with success beyond his fondest anticipation. He stands high among his rivals as may be noted in the fact that he is president of the trade association of that city. His place of business is at 244 Broad street, where he is glad to welcome his old time friends from the mountains.

A great many people imagine they have heart trouble when the fact is that the whole trouble lies in the stomach. The pains in the side around the region of the heart are not necessarily heart trouble. We suggest that you start with the stomach and whenever you feel a depression after eating or whenever your food seems to nauseate take Kodol. It will not be very long until all these "heart pains" will disappear. Take Kodol now and until you know you are right again. There isn't any doubt about what it will find the truth of this statement verified after you have used Kodol for a few weeks. It is sold here by Trout's drug store.

Laws For New Crimes.

It Draco and Solon, the old time lawmakers, should revisit the earth, a tour of investigation in these United States would make it speedily clear to them that we moderns, as well as the ancients, busy ourselves pretty much all the time with the framing of new laws.

"I am fined for failure to provide good drinking water on my passenger trains," a Rhode Islander might say; to which a fellow-railroader in South Carolina would add:

"In this state a jail sentence follows a neglect to provide spittoons for every two seats in our cars."

A man in Virginia says: "I killed a partridge on the 2d day of February, for which I must serve time in jail."

In Tennessee a man must pay a fine or serve three years imprisonment for killing fish with dynamite.

In Wisconsin a baker must serve three weeks in jail for sleeping in his bakery.

In California nurses are punished by fine or imprisonment should they fail, in the proper instance, to notify the physician of certain phases of illness in their patients.

To water a bicycle path in the state of Ohio is an offence punishable by heavy fine and sometimes imprisonment.

In most of the states it is a penal offense to tap a telegraph wire or to sell kerosene that is not up to the fire test.

If the old lawgivers were to extend their tour of investigation, says Harper's Weekly, they might learn of men fined or imprisoned for countless offenses the very means for committing which were unknown 100 years ago.

BEST HEALER IN THE WORLD.

Rev. F. Starbird, of East Raymond, Maine, says: "I have used Bucklen's Arnica Salve for several years, on my old army wound, and other obstinate sores, and find it the best healer in the world. I use it too, with great success in my veterinary business." Price 25c. at Trout's drug store.

NEW GRENADA.

Commissioner S. C. Gracey and wife, of Gracey, visited Richard Alloway's. ... Ida Alloway visited friends at Wells Tannery a couple days last week. ... Rilla Houck is visiting friends at Newton Hamilton. ... The No. 1 mine at North Point, has closed down indefinitely, which hits lots of our people who worked there. ... We notice in the columns of the "News" a receipt "How to make tough beefsteak tender." Mr. Editor, please print a receipt, "How to get the beefsteak these hard times," or, "How to get the money." See? Also, "News" says, "A woman's hair isn't always something to adore when it's a pompadour." A woman's hair is her glory, but we prefer our fried potatoes and butter without "glory." ... Samuel W. Devore, bookkeeper for the Rockhill Iron and Coal Co., and Mr. Weaver, of Robertsdlne, were visitors in our town on Sunday. ... Olive Cutchall, of Waterfall, called on friends here last Sunday.

Bare's Bargain Store,
Fort Littleton, Pa.

There is not a man, woman or child, but who enjoys to hear of goods getting cheaper. Why? Because it touches the most vital part of his possessions, namely, his pocket book.

I have been going to the Eastern Cities in former years from the last of March to the first of April, and I truthfully believe—I have saved for my customers, in cotton goods alone, except those in the trust, 20 per cent. over those bought by others merchants two weeks before.

The middle of April saw one of the greatest slumps in the cotton market known for years—even thread has taken its position again at 6c. per spool. I bought heavier this season in this line than ever before, and can show you one of the largest lines of

Batistes, Organdies,

Linens, Ginghams, Percales, Lawns, Silks and waistings of all kinds, also Ladies Muslin Underwear, Heatherbloom skirts, ready made white waists, and in fact anything you want in the dry goods lines. We have the same 6c. muslin we used to carry.

Clothing. Our Clothing is already in: but, on account of the carpenters at work enlarging our Clothing capacity, we will be delayed a few days in placing them on sample, although we can show you the entire line at any time.

Shoes. This line is complete, with all the leading styles and makes in button and lace.

Furniture. Remember we are considered the best place in the County in Furniture, Carpets, Linoleums, Mattings, Oil Cloths, &c.

Wood and Willow-ware. Window Shades, Curtain Poles, &c.

TINWARE, GRANITWARE, QUEBNSWARE & GLASSWARE.

Wall Paper from 2c. a bolt up to 6c.
Overalls, Shirts Pants, &c.
Hats and Dress Caps, &c.

Drugs. Drug sundries, patent medicines, glass, oils, paints, varnishes, &c.

Horse Collars, Work and buggy nets, hames, &c.

When in need of anything, call or write for prices. We carry the largest variety of goods kept in any store in Fulton County, at prices that we are keeping them all guessing. Beware of those Merchants who bought their goods before April 15th.

Weak Hearts

Are due to indigestion. Ninety-nine of every one hundred people who have heart trouble can remember when it was simple indigestion. It is a scientific fact that all cases of heart disease, not organic, are not only traceable to, but are the direct result of indigestion. All food taken into the stomach which fails of perfect digestion ferments and swells the stomach, puffing it up against the heart. This interferes with the action of the heart, and in the course of time that delicate but vital organ becomes distended.

Mr. D. Knoble, of Nevada, O., says: "I had stomach trouble and was in a bad state as I had heart trouble with it. I used Kodol Dyspepsia Cure for about six weeks and it cured me." **Kodol Digests What You Eat** and relieves the stomach of all excess strain and the heart of all pressure. **50c. and \$1.00 bottles.** **25c. and \$1.00 bottles.** Prepared by R. B. DUNN & CO., CHAMBERSBURG.
