**CONDENSED FOR HURRIED READERS**

Fresh fertilizer for corn and oats, just received by Huston, Sattilo, Pa.

Rev. L. M. Knoll, of Philadelphia, will preach in the Reformed church next Sunday morning, at 10:30 a. m.; down the Cove at the Hebron church, at 3:30 p. m.

Insist upon DeWitt's Witch Hazel Salve. There are substitutes, but there is only one original. It is healing, soothing and cooling and is especially good for piles. Sold at Trout's drug store.

Mr. and Mrs. Gilbert C. Mellett, of Altoona, are spending Mr. Mellett's vacation week with their relatives and friends in Fulton county.

It is a pity to see a person neglect indications of kidney or bladder trouble that may result in Bright's disease when Foley's Kidney Remedy will correct irregularities and strengthen these organs. Take Foley's Kidney Remedy at the first sign of danger. Trout's drug store.

An interesting exercise will be held in Union Cemetery on Memorial day at 9:30 o'clock. Children will please come and bring flowers with them. All are invited. S. S. HANN.

**SERIOUS RESULTS FEARED.**

You may well fear serious results from a cough or cold, as pneumonia and consumption start with a cold. Foley's Honey and Tar cures the most obstinate coughs or colds and prevents serious results. Refuse substitutes. Trout's drug store.

The apple "corner," which speculators engineered early last fall, is nearing its close with disastrous results to the men who filled the cold storage houses with their purchases. They paid big prices, stored the apples and then waited for apples to go up. But for some reason or other they failed to do so. Like the egg corner, the apple corner has brought only losses to those who went into it.

**THE LUCKY QUARTER.**

Is the one you pay out for a box of Dr. King's New Life Pills. They bring you the health that's more precious than jewels. Try them for headache, biliousness, constipation, and malaria. If they disappoint you, the price will be cheerfully refunded at Trout's drug store.

**McCONNELLS COVE**

As I have not seen any items from the Cove for sometime, I will try and give your many readers a few.

The farmers are mostly done planting corn. It is coming up very slowly.

The colored folks near Cito organized a Sunday school last Sunday. Rev. Spriggs was chosen superintendent.

Mrs. Charles Hixson and three children are spending the week with friends in Whips Cove and Brush Creek Valley.

Your scribe spent part of last Sunday with George Seiders of near Cito.

Several of our folks from the Cove spent a day last week in Mercersburg.

Mr. and Mrs. Harvey Unger spent last Sunday with friends down the Cove.

Albert Garland of Whips Cove spent a short time on day last week in McConnellsburg.

The grain and grass in the Cove are looking fine.

Mr. Cuff, of Mercersburg, spent last Sunday with his son John Cuff near Cito.

If this does not reach the waste basket I may write again.

JOHNNY FLOWBOY, JR.

**PERSONAL.**

If any person suspects that their kidneys are deranged they should take Foley's Kidney Remedy at once and not risk having Bright's disease or diabetes. Delay gives the disease a stronger foothold and you should not delay taking Foley's Kidney Remedy. Trout's drug store.

A certain farmer went into a hardware store and while purchasing some tools was asked by the proprietor if he did not want to buy a bicycle. "A bicycle won't eat its head off," said the man, "and you can ride around your farm on it." They're cheap now and I can let you have one for \$35. "I'd rather put the \$35 in a cow," replied the farmer. "Oh well," said the hardware man sarcastically, "you'd look mighty foolish riding around your farm on a cow, now wouldn't you?" "No more foolish perhaps," said the farmer, "than I would milking a bicycle."

A great many people imagine they have heart trouble when the fact is that the whole trouble lies in the stomach. The pains in the side around the region of the heart are not necessarily heart trouble. We suggest that you start with the stomach and whenever you feel a depression after eating or whenever your food seems to nauseate take Kodol. It will not be very long until all these "heart pains" will disappear. Take Kodol now and until you know you are right again. There isn't any doubt about what it will find the truth of this statement verified after you have used Kodol for a few weeks. It is sold here by Trout's drug store.

**CITO.**

Sherman Garland and Paul Houck made a very pleasant trip to Hancock, Sunday.

Rev. Spriggs organized his Sunday school last Sunday.

Mrs. Albert Clevenger is no better.

Oliver Peck went through this vicinity Wednesday.

**Colds That Hang On.**

Colds that hang on in the spring deplete the system, exhaust the nerves, and open the way for serious illness. Take Foley's Honey and Tar. It quickly stops the cough and expels the cold. It is safe and certain in results. Trout's drug store.

What The New 1908 De Laval Cream Separators are Doing.

Reports are arriving in every mail from Maine to California and Canada to Florida, telling of how the New Improved De Laval Cream Separators are sweeping all would-be competition aside. Cow owners and separator users everywhere cannot say enough in praise of the new De Laval. Even competitors are admitting its vastly increased superiority and marvelling at its many conveniences, perfect skimming qualities, ease of running, great simplicity, durability and beauty of design. The new De Laval is ten years in advance of any other separator made to-day. Nothing like it has ever been produced before and to have done so now is only possible after three years of constant experimenting by the world's best engineers and mechanical experts backed up by our thirty years of experience in the manufacture and sale of nearly a million separators. Improvements have been made in every feature and several brand new styles and capacities introduced. There is a machine for every size dairy from the smallest to the largest and at a price that will fit every pocket, while you may buy for cash or on terms so liberal that the machine will actually pay for itself.

If you own one or more cows you can make no more profitable investment than to purchase a De Laval machine at once. It will save its cost in less than a year and after a week's use you will prize it as the most valuable implement on your farm. Ask for a free demonstration at your own home and send for our handsome new catalogue illustrating and describing De Laval machine in detail. Your only regret will be that you didn't do so sooner. Write to-day for Catalogue or call on

**SHOES**  
That it has been our privilege to carry. The best evidence of this, we think, is the amount we have sold. We have been in business 11 years and never did we sell as many shoes as this year. We think it would pay you too to come and see them. We handle good shoes for what others ask for shoddy goods. Call and be convinced.

**IN CLOTHING**  
We think we are in shape to knock them all out. You may ask why can you do it, simply because we sell it the same as all other goods on a small percentage. We sell a \$10.00 suit for \$10.00, don't tell you it is a \$15.00 and cut the price to \$10.00. No one can do this but some can have a hoggish profit. TRY US.

**Weak Hearts**

Are due to indigestion. Ninety-nine of every one hundred people who have heart trouble can remember when it was simple indigestion. It is a scientific fact that all cases of heart disease, not organic, are not only traceable to, but are the direct result of indigestion. All food taken into the stomach which fails of perfect digestion ferments and swells the stomach, puffing it up against the heart. This interferes with the action of the heart, and in the course of time that delicate but vital organ becomes diseased. Mr. D. Knoble, of Newark, O. says: "I had stomach trouble and was in a bad state as I had heart trouble with it. I took Kodol Dyspepsia Cure for about four months and it cured me." **Kodol Digests What You Eat** and relieves the stomach of all nervous strain and the heart of all pressure. Bottle only \$1.00. The holding 35c. (same the old one, which sells for 50c.) Prepared by E. C. DUNNITT & CO., CHICAGO.
