And now the threshing machine owners in Central Pennsylvania are forming a Trust. The Beaver Springs Weekly Herald says the owners and operators of threshing machines in Snyder and part of Juniata counties met at the Court House in Middleburg last week and formed an organization and adopted a uniform scale of prices. Kennedy's Laxative Cough Syrup is the one that children like so well to take, as it tastes nearly as good as maple sugar. It is sold at Trout's drug store.

Prof. James Mumma, who has been teaching in Illinois for several years, and his family, are visiting relatives in Taylor and Licking Creek townships.

Stomach troubles are very common in the summer time, and you should not only be very careful about what you eat just now, but more than this, you should be careful not to allow your stomach to become disordered, and when the stomach goes wrong take Kodol. This is the best known preparation that is offered to the people today for dyspepsia or indigestion or any stomach trouble. Kodol digests all foods. It is pleasant to take. It is sold here at Trout's drug store.

Plumber Nick Roettger met with an accident the other day that came pretty nearly putting him out of commission. He was putting in place a revolving fan in Charlie Martin's barber shop, when a piece of casting weighing nearly twenty pounds fell striking Mr. Roettger on the top of the head, and cutting the scalp so that it required less than a spool of thread to sew it together again. Dr. Geo. Robinson manipulated the needle skillfully, but Nick was glad when the job was over.

YOU SHOULD KNOW THIS. Foley's Kidney Remedy will cure any case of kidney or bladder trouble that is not beyond the reach of medicine. No medicine can do more. Trout's drug store.

Surprise Party.

Last week it occurred to some of the students of the Wells Valley Normal school to give their teacher Prof. H. E. Seville who has so successfully conducted the summer Normal at that place, a surprise. Accordingly, a number of the Professor's intimate friends and former pupils met at the hospitable home of Mr. and Mrs. John W. Gibson on Friday evening June 5.

The party was a complete surprise to the Professor he not knowing or expecting that anything unusual was going to occur. Happening to walk up to Wells Tannery that evening, and on his return to Mr. Gibson's, being accompanied by some of his pupils, it began to dawn upon him that he was going to be caught by surprise.

About eight o'clock when the party had all arrived, games were indulged in which consisted of "Bingo," "Skating," etc. About ten o'clock the order was given to fall in line—not for battle—but for refreshments, which were then served and which consisted of ice cream and cake.

Games were then resumed until twelve o'clock when all departed for their homes, feeling that they had spent a very pleasant evening, and wishing themselves and Prof. Seville many more such occasions.

This great number of young people assembling to the honor of Prof. Seville shows how highly he is held in esteem by the young people of Wells Valley and how much they appreciate his efforts along educational lines and his presence with them.

Music was furnished by Frank Guillard with his accordion during the evening. Good organ music was furnished, also.

Those present were: Zola Barnett, Anna DeWitt, Eleanor Sipe, Laura Edwards, Lena Stunkard, Leta Sprowl, Marjorie Sipe, Nellie Stunkard, Mary Denisar, Mary Baker, Lillian Burkett, Tillie Stunkard, Alice Stunkard, Mary Moseby, Grace Burkett, Elizabeth Baker, Annie Burkett, Bertha Clippinger, Day Foreman, Della Foster, Mary Horton, Rodey Gibson, Frank Guillard, Howard Waring, Earl Schenck, John Stunkard, Reed Edwards, Roy Early, Charles Sipe, Charles Stunkard, Harold Kirk, James Alloway, Dallas Grant, Harry Edwards, John Truax, DeForest Gibson, Ward Berkstresser, Glover Horton, Roy Barnett, Dan Cunningham, Bernard Gibson and Harrison Hoover. H. H.

Nature has provided the stomach with certain natural fluids known as the digestive juices, and it is through these juices that the food we eat is acted upon in such a way as to produce the rich, red blood that flows through the veins of our body and thereby makes us strong, healthy and robust, and it is the weakening of these digestive juices that destroys health. It is our own fault if we destroy our own health, and yet it is so easy for any one to put the stomach out of order. When you need to take something take it promptly, but take something you know is reliable—something like Kodol For Dyspepsia and indigestion. Kodol is pleasant to take, it is reliable and is guaranteed to give relief. It is sold by Trout's drug store.

RACKET STORE PRICES

FOR

JUNE and JULY

We have again made a good deal for our patrons. We suppose you have all heard about the price of

Mason's Glass Jars

advancing. Well, they have advanced—almost double; but, not with us. We are going to sell them as long as we have any (and we have 15 gross) at—Pints, 45c; Quarts, 50c; Half-gal., 65c. We had one merchant to say to us that we were fools for selling at these prices, as we couldn't buy them in the city to sell at less than 65, 75, and 95c. Well, we are not looking out for other merchants, we are for the customers and ourselves. Then we made another good deal for you: We can sell a 10-qt. galvanized pail, that we did sell for 20c, now 15c.; 12-qt. at 18c.

CASTOR MACHINE OIL

Well, this has been a big seller with us. You might ask why: Because we sell an oil that others sell at 50c. gal., for 25c. and it is just a little heavier than theirs.

A nice line of Hammocks at 95c., \$1.25, \$1.95 and \$2.25.

TABLE OIL CLOTH 14c., YARD; Or \$1.60 Per Roll.

Space will not permit us to name prices on Clothing and Shoes this time, but we sell them just the same way that we sell Glass Jars and everything else we carry. We have

One Price to Everybody

and that is the lowest the market will afford. Call and see us whether you want to buy or not.

Respectfully

HULL & BENDDR,
McConnellsburg, Pa.

Weak Hearts

Are due to indigestion. Ninety-nine of every one hundred people who have heart trouble can remember when it was simple indigestion. It is a scientific fact that all cases of heart disease, not organic, are not only traceable to, but are the direct result of indigestion. All food taken into the stomach which fails of perfect digestion ferments and swells the stomach, puffing it up against the heart. This interferes with the action of the heart, and in the course of time that delicate but vital organ becomes diseased. Dr. D. E. Smith, of Nevada, O. says: "I had stomach trouble and was in a bad state as I had heart trouble with it. I took Kodol Dyspepsia Cure for about four months and it cured me." Kodol Digests What You Eat and relieves the stomach of all nervous strain and the heart of all pressure. Bottles only \$1.00 Size bottles 50c. Issue the trial one, which costs for free. Prepared by S. S. DUNN & CO., CHICAGO.
