In order to get rid of surplus energy, Misses Katherine Cook and Gertrude Hoke on last Friday morning started on a pilgrimage to the attractive little village of Webster Mills. Despairing of the odor of gasoline, or the dangers connected with riding in a surry—or even a buggy—they took the road a-foot; and although the summer sun was shedding his rays most energetically, mile after mile of the distance was covered by the determined pedestrians, until at last weary and footsore, from the top of Sloans Hill, they were rewarded by seeing their Mecca in the distance, and before the sun had crossed the meridian they were safely housed in the hospitable home of Hon. and Mrs. D. H. Patterson, where they were taken care of until Sunday morning when they were returned to McConnellsburg—on wheels.

**Weak Hearts**

Are due in indigestion. Ninety-nine of every one hundred people who have heart trouble can remember when it was simple indigestion. It is a scientific fact that all cases of heart disease, not organic, are not only traceable to, but are the direct result of indigestion. All food taken into the stomach which fails of perfect digestion ferments and swells the stomach, puffing it up against the heart. This interferes with the action of the heart, and in the course of time that delicate but vital organ becomes diseased.

Mr. D. Knibbe, of Nevada, O., says: "I had stomach trouble and was in a bad state as I had heart trouble with it. I took Kodol Dyspepsia Cure for about four months and it cured me."

**RACKET STORE PRICES**

FOR

**JUNE and JULY**

We have again made a good deal for our patrons. We suppose you have all heard about the price of

**Mason's Glass Jars**

advancing. Well, they have advanced—almost double; but, not with us. We are going to sell them as long as we have any (and we have 15 gross) at—Pints, 45c; Quarts, 50c; Half-gal., 65c. We had one merchant to say to us that we were fools for selling at these prices, as we couldn't buy them in the city to sell at less than 65, 75, and 95c. Well, we are not looking out for other merchants, we are for the customers and ourselves. Then we made another good deal for you: We can sell a 10-qt. galvanized pail, that we did sell for 20c, now 15c.; 12-qt. at 18c.

**CASTOR MACHINE OIL**

Well, this has been a big seller with us. You might ask why? Because we sell an oil that others sell at 50c. gal., for 25c. and it is just a little heavier than theirs.

A nice line of Hammocks at 95c., \$1.25, \$1.95 and \$2.25.

**TABLE OIL CLOTH 14c., YARD;**  
Or \$1.60 Per Roll.

Space will not permit us to name prices on Clothing and Shoes this time, but we sell them just the same way that we sell Glass Jars and everything else we carry. We have

and that is the lowest the market will afford. Call and see us whether you want to buy or not.
