Kennedy's Laxative Cough Syrup acts gently upon the bowels and thereby drives the cold out of the system and at the same time it allays inflammation and stops irritation. Children like it. Sold by Trout's drug store.

Miss Barbara Martin, of Tyrona, and her sister Miss Lydia, of Doylestown, are enjoying a vacation at the home of their parents, C. Martin and wife, in the Cove. The Martin family had a reunion and picnic at the Big Rock on the mountain yesterday.

Charles Miller, one of Reading's oldest and highly respected colored citizens, familiarly known as "Uncle" Miller, is doing a land office business these days. He is engaged in the odd business of kissing babies to prevent them from getting whooping cough, and for the purpose of relieving those who have already contracted the dread disease.

There is one preparation known to-day that will promptly help the stomach. This is Kodol. Kodol digests all classes of food, and it does it thoroughly, so that the use of Kodol for a time will without doubt help anyone who has stomach disorder or stomach trouble. Take Kodol today and continue it for the short time that it is necessary to give you complete relief. Kodol is sold by Trout's drug store.

A picnic down at the Knob back of Webster Mills, at which those who attended had a very pleasant time, was held last Friday afternoon, and was made up of the down-the-Cove people generally. Those from town were Mary and Mabel Trout, Mrs. E. R. McClam, Mr. and Mrs. F. McE. Johnston, Mr. and Mrs. Urting and son, Mr. and Mrs. Dan F. Trout, Josephine Runyan, Toney Sloan, Jane McKelway, and Ed Reiser.

This is what Hon. Jake Moore, State Warden of Georgia, says of Kodol For Dyspepsia: "E. C. De Witt & Co., Chicago, Ill.—Dear Sirs—I have suffered more than twenty years from indigestion. About eighteen months ago I had grown so much worse that I could not digest a crust of corn bread and could not retain anything on my stomach. I lost 25 lbs; in fact I made up my mind that I could not live but a short time, when a friend of mine recommended Kodol. I consented to try it to please him and was better in one day. I now weigh more than I ever did in my life and am in better health than for many years. Kodol did it. I kept a bottle constantly, and write this hoping that humanity may be benefited. Yours very truly, Jake C. Moore, Atlanta, Aug. 10, 1904." Sold by Trout's drug store.

A Nery Trick.
A trick bicycle rider, after giving an entertainment in the street in this place, on Saturday evening, promised one of the nerviest feats the crowd ever saw, but must first receive a contribution of nickels from those who wished to see it. He collected the nickels and then got on his bicycle and rode out of town. It was nery, all right.

War Against Consumption.
All nations are endeavoring to check the ravages of consumption, the "white plague" that claims so many victims each year. Foley's Honey and Tar cures coughs and colds perfectly and you are in no danger of consumption. Do not risk your health by taking some unknown preparation when Foley's Honey and Tar is safe and certain in results. Trout's drug store.

Coal For 490 Years.
That the coal originally in the Pennsylvania anthracite fields aggregated twenty-one billion short tons and in the bituminous fields, 112,574,000 short tons leaving still in the ground seventeen billion short tons of anthracite and about one hundred and ten billions of bituminous is the estimate of the situation reported by M. R. Campbell, of the United States geological survey.

He figures that at the rate of production reached in 1907, the available coal supply in Pennsylvania would last about 490 years.

The World's Best Climate
is not entirely free from disease; on the high elevations fevers prevail, while on the lower levels malaria is encountered to a greater or less extent, according to altitude. To overcome climate affections, lassitude, malaria, jaundice, biliousness, fever and ague, and general debility, the most effective remedy is Electric Bitters, the great alterative and blood purifier; the antidote for every form of bodily weakness, nervousness, and insomnia. Sold under guarantee at Trout's drug store. Price 50c.

Kill The Thistles.
A timely suggestion is made by the Bellefonte Daily News when it says: "This is the season of the year when the great farm pest the Canada thistle should be looked after. The plant is in bloom in July and if cut down during this month the seeds will not have a chance to ripen and be carried far and wide and thus cause more labor and annoyance. There is moreover, a law which requires land owners to cut the thistles in July. If neglected it is the duty of the constables to go and cut the weeds and collect the damages from the property owners."

Two Years Old, Weighs About 100 Pounds.
Johnny Webb, son of Mrs. Rachel Webb, of Mapletown, accompanied by his great uncle, Samuel Harvey, was in Huntingdon recently. This statement would hardly be made as a matter of news were it not for the fact that Master Johnny is of unusual size for one of his age. The big little youngster is but 2 years and 4 months old and weighs about 100 pounds. The mission to Huntingdon was to be measured for two summer suits. At the J. G. Isenberg & Son store he was measured by Wm. Johnston with the following result: neck 16 inches; chest 37 inches; waist 38 inches; knee 19 inches; arm 10 inches; leg 13 inches, total height 41 inches. He could not get ready made shoes. While he was taking some refreshments at Steel's drug store a great many viewed the pleasant little fellow with astonishment. He was barefooted and wore knee pantaloons. There were sold by Mr. Harver 75 postal souvenir cards with the child's photo upon it at 10 cents each. The little fellow's father died most unfortunately a few days ago.

Surprise Party.
A very pleasant surprise party was held at the home of Mr. and Mrs. Irvin Cromwell, Saturday evening, July 18th, it being Mr. Cromwell's 53rd birthday. Mr. Cromwell was sitting on the front porch waiting for his father and mother to come to make ice cream. When he looked out through the field he was terribly amazed to see so many of his friends and neighbors coming—some walking and some driving which were about fifty in number with well filled baskets and soon a table was laden down with good things to eat to which all the people did ample Justice. Those present were:

T. B. Cromwell and wife, James Mort and wife, David Madden and wife, Elliott Wible, wife and son Clay, Mrs. Jane Stains, Sylvester Cromwell and wife, Ephraim Anderson and wife, Samuel Grissinger and wife, William Merrill and Bertha, Thomas Cromwell, wife and three children Avery, Glad, and Mary, Homer Cromwell and wife, Walter Rohrer, wife and four children Buhl, Raymond, James, and Carl, Roy Cromwell, wife and son Arthur, Harmon Cromwell, wife, Mrs. Irvin Cromwell, Ella Booth, Harvey Stains, Rosa Gatchall, Blanche Moore, Oscar, Thomas, Eva, Elsie, and Emory Cromwell.

Mr. Cromwell received many useful presents. About midnight the people all returned home after having a very pleasant time wishing Mr. Cromwell many more happy birthdays.

How to Save 40 Per Cent.
Reader, I can save you 40 per cent. on every dollar's worth of fruit and other trees you buy from me. How can I do that, you ask. By buying my trees at wholesale, thus saving the 35 to 40 per cent. paid the agents who travel over the country selling trees. Compare these prices—Apple trees from 5 to 7 feet high, \$2 50 per dozen; Peach trees—4 to 5 feet high, \$1.25 per dozen; Quince, Pear, Cherry and Plum trees, 40 cents each. These trees come from one of the best nurseries in this State and are guaranteed to be true to name and free from disease. I replace, free of charge, all trees that do not grow the first year.
