**CURED MAY FEVER AND SUMMER COLD.**  
A. S. Nusbaum, Batesville Indiana, writes: "Last year I suffered for three months with a summer cold so distressing that it interfered with my business. I had many of the symptoms of hay fever, and a doctor's prescription did not reach my case, and I took several medicines which seemed only to aggravate it. Fortunately I insisted upon having Foley's Honey and Tar. It quickly cured me. My wife has since used Foley's Honey and Tar with the same success." Trout's drug store.

**Slaves in 1790.**  
In 1790, at the time the first census of the United States was taken, Pennsylvania had 3,737 slaves; Maryland had 108,086; and Virginia, the greatest slave holding state at that time had 292,027, or almost one-third of her entire population.

**Between Supper and Breakfast.**  
Many persons, says a well known doctor though not actually sick, keep below par in strength and general tone, and he is of the opinion that fasting during the long interval between supper and breakfast, and especially the complete emptiness of the stomach during sleep, adds greatly to the amount of emaciation, sleeplessness and general weakness we so often meet. It is logical to believe that the supply of nourishment should be somewhat continuous, especially in those who are below par, if we would counteract their emaciation and lower degree of vitality, and as bodily exercise is suspended during sleep, with wear and tear correspondingly diminished, while digestion, assimilation and nutritive activity continue as usual the food furnished during this period adds more than is destroyed, and increased weight and improved general vigor are the results.—London Globe.

**FOLEY'S HONEY AND TAR**  
stops the cough and heals lungs

**THE THRICE-A-WEEK WORLD**  
IN THE PRESIDENTIAL CAMPAIGN YEAR.

More Alert, More Thorough and More Fearless Than Ever.  
Read in Every English-Speaking Country

A President of the United States will be elected this year. Who is he and who is the man whom he will beat? Nobody yet knows, but the Thrice-a-Week edition of the New York World will tell you every step and every detail of the most absorbing interest. It may not tell you what you hope, but it will tell you what is. The Thrice-a-Week World long ago established a character for impartiality and fearlessness in the publication of news, and this it will maintain. If you want the news as it really is, subscribe to the Thrice-a-Week edition of the New York World, which comes to you every other day except Sunday, and is thus practically a daily at the price of a weekly.

THE THRICE-A-WEEK WORLD'S regular subscription price is only \$1.00 per year, and this pays for 156 papers. We offer this unequalled newspaper and THE FULTON COUNTY NEWS together for one year for \$1.75. The regular subscription price of the two papers is \$2.00.

**When your Watch Stops**  
You cannot make it go by shaking it. When the bowels are constipated you can disturb them with cathartics but like the watch, they will not be able to do their allotted work until they are put into proper condition to do it. One cannot mend a delicate piece of mechanism by violent methods, and no machine made by man is as fine as the human body. The use of pills, salts, castor-oil and strong cathartic medicines is the violent method. The use of the herb tonic laxative, **Lane's Family Medicine** is the method adopted by intelligent people. Headache, backache, indigestion, constipation, skin diseases—all are benefited immediately by the use of this medicine. Drugists sell it at 50c. and 60c.

**HUSTONTOWN.**  
John H. Woodcock, who has been working in Buffalo N. Y. for the past year, has returned to his home at this place for a short vacation.

Mrs. John Miller and son Walter and Miss Helen were visiting relatives in our town one day last week.

Sunday school picnic, consisting of Misses Luemina Laidig's and Nell Kirk's classes was held in the Grove on Thursday last and everybody seemed to enjoy themselves immensely.

Jesse McClain and family of Huntingdon, spent Sunday with his brother Dr. H. C. McClain of this place, as did also E. R. McClain and Miss Mary B. Trout of McConnellsburg.

Miss Nell Dawney of this place spent a few days recently, visiting in the county seat.

The Hustontown base ball team met their first defeat of the season on Wednesday last at Maddensville Camp meeting grounds. The opposing team was a combination of several other good teams, but our boys give them the biggest score of their lives and fought hard to win but fell short a little score 7-5.

The Saturday following the game at Camp-meeting, the boys went to Fort Littleton to play against those boys who had not been beaten this season prior to that time. The game was one of those you often read about but seldom see. It was the hardest well fought game probably ever played in the county and it took an extra inning to decide the game, which was a splendid victory for the Hustontown boys. Score: Hustontown 4; Fort Littleton, 3. (10 innings.)

**Weak Hearts**

Are due to indigestion. Ninety-nine of every one hundred people who have heart trouble can remember when it was simple indigestion. It is a scientific fact that all cases of heart disease, not organic, are not only traceable to, but are the direct result of indigestion. All food taken into the stomach which falls of perfect digestion ferments and swells the stomach, puffing it up against the heart. This interferes with the action of the heart, and to the course of time that delicate but vital organ becomes diseased. Mr. D. Kanfle, of Nevada, O., says: "I had stomach trouble and was in a bad state of health. I had heart trouble with it. I took Kodol Dyspepsia Cure for about four months and it cured me."  
**Kodol Digests What You Eat** and relieves the stomach of all nervous strain and the heart of all pressure. Bottles only \$1.00 Size holding 3 1/2 ounces the trial size, which sells for 50c.
