

This is Old Home week in Greencastle.  
Fifty-five arrests were made in Chambersburg in July.  
M. G. Kirk, and Zach. McElaney, were doing business in town on Thursday last.  
A fine boy came to Mr. and Mrs. Mac, Lynch, in Ayr township, on Thursday last.  
Thos. Patterson, of this place, is suffering from a very sore foot the result of treading on a nail.  
An unusual number of automobiles has passed through town the past week.  
We are sorry to hear of the continued illness of Mr. Wm. H. Spangler, of Wells township.  
The Grangers Picnic at Williams Grove begins August 24 and continues five days.  
HIDES WANTED.—Highest market price paid for beef hides, horse hides, wildcat skins, and all kinds of grease, at Paul Wagner's Tannery, McConnellsburg.  
Voters, remember that September 2 is the last day for assessment in order to vote at the election on November 3.  
Rev. W. A. West was moved from Newville to his farm in Path Valley, last week. He is reported to have stood the trip well.  
Rev. Appenzeller will preach in the Reformed church in town next Sunday morning at 10:30 and down the Cove at 2:30 in the afternoon.  
On September 3-4 the people of Schellsburg Bedford county, will celebrate the 100th anniversary of the laying out of the town by John Scheil, Esq.  
HIDES.—James Sipes & Son, pay the highest market price for beef hides at their butcher shop in McConnellsburg, also highest price paid for calf skins, sheepskins and tallow.  
Gasoline vapor lights have been installed into the Lutheran church in this place. They are a great improvement over the old kerosene lights.  
The festival held in the Court House, on Friday and Saturday evenings of last week by the mite society of the Presbyterian church, was well patronized. It netted the society about \$50.  
Several nice showers which were badly needed visited this place on Monday, which cooled the atmosphere and will be of benefit to the corn. A little hail accompanied the first shower.  
No one is immune from kidney trouble, so just remember that Foley's Kidney Remedy will stop the irregularities and cure any case of kidney or bladder trouble that is not beyond the reach of medicine. Trout's drug store.  
Dr. W. F. Sappington, of Webster Mills, went to Baltimore last Sunday, and brought Emanuel Yeakle to his home in the Little Cove. It may be remembered that some six weeks ago, Mr. Yeakle had an attack of Strangulated Hernia, and was taken by Dr. Sappington to the University hospital in Baltimore, where he was cut open by Dr. Martin, and twelve inches of the smaller intestine taken away, and the severed ends of the intestine brought together and fastened. The intestine is now grown together, and the young man is about as good as ever with the exception that he will always be minus twelve inches of this organ.  
Undaunted by the threatening clouds of last Thursday, a number of young ladies of town spent the afternoon most pleasantly at the delightful spring in the meadow north of town known as the "Dougiey." Though the skies for a time frowned upon them and some misgivings were felt as to the wisdom of making ready the bountiful supper on the ground in true picnic style, the clouds soon cleared and nothing occurred to interfere with the enjoyment of the good things which had been prepared. Great calamities were jokingly predicted to fall upon those present on account of their being thirteen in the party and the day being the thirteenth day of the month. The crowd consisted of Miss Mary Koepper, of Hagerstown, Miss Eleanor Logan and Miss Elizabeth Anderson, of Philadelphia, Misses Ethel, Nellie, and Alice Hays, Gertrude Sloan, Myrtle and Marden Stoutengle, Myrtle Stoner, Stella Sipes, Rose and Nora Fisher.

**Base Ball.**  
The New Grenada team won two games on Saturday, by taking the second straight victory from Eid and the deciding game from Fairview, by the scores of 12 to 5, and 19 to 4 respectively. In the morning game at Eid, both teams made glaring errors; but New Grenada heavy hitters outbatted Eid, and won. Their pitcher was in good form, having 15 strike outs. Eid's twister pitched good ball, but he lacked support at critical stages. In the afternoon game at New Grenada, the boys got next to Fairview's curves and knocked them all over the field, which coupled with Fairview's errors netted 19 runs. All the runs of the visitors were well earned. The New Grenada team believes, like the Editor of News, learn to play ball and not argue. This makes the game more pleasant for both players and spectators.
