nurses were administering a bath to the patient, he weakened very quickly. An attempt was made to reach the doctor, but Colonel Vilas died before the physician reached the house. Dr. Charles H. Vilas, of New York, who has been staying at the home, was not present at the death, it is believed that the immediate cause of the death was a second strake of marginal stroke of paralysis. Col. William F. Vilas suffered a

cerebral hemorrhage early on the morning of July 20 at his home, in Madison. His condition was so seri-ous that E. P. Vilas, his brother, of Milwaukee, was summoned to the bedside, and for two days the physicians were unable to offer any hope of recovery. On the third day Colonel Vilas' condition was slightimproved, and there were two hopeful signs-first, there had been no spreading of the paralysis, and,

second, he manifested marked signs of intelligence. Although the periods of consciousness were slight, they gave the family and friends of the distinguished patient much hope. Since then his condition has remained practically unchanged, although he had moments of seeming rallies, and on occasions would answer ques-tions by "yes" and "no."

GAGGED, TIED AND ROBBED.

Small Boys Are Victims Of Youths In Chicago. Chicago (Special). - Stripped to

the skin, gagged and bound, two small boys were beaten until they were all but unconscious by two larger boys in the lonely woods of Forest Glen.

Their assailants were arrested by ical instruments. Heidenbrock, Levy & Weiss, shirt that lasted more than 15 hours. One

of the torturers of the boy was caught in the act of mercilessly beating the younger of the victims. their skins are a mass of bloody welts, some of them almost as hig as a man's finger, are Richard En-Isidor Keifer & Co., boots and ger and Richard Keenly. Their as-sailants are Arthur Heimgren, 16 years old, and Joseph Caffiboin, 18 old. Heimgren was released years on bail.

Forest Glen is a lonely part of a suburb of Chicago, where the woods are thick. When the younger boys were missing for some time the neighborhood was thoroughly aroused and a volunteer posse was formed. While the posse was searchformed. ing a mall-carrier heard stifled cries and entering a thicket saw Keenley

tied to a tree and Helmgren lashing him pitilessly. The mail carrier soon had Helm-gren by the coat collar, and, calling to another member of the posse rescued the almost unconscious lad. western and southern part of Persia. Its Wake,

Augusta, Ga. (Special). - The national banks of New York and flood water at Augusta is receding Baltimore wrote to Secretary Cor-Augusta, Ga. (Special). - The

ans, puttings aside everything else. began straining every energy to the work of helping the sufferers.

Prominent men who made up the advisory and 'relief committee, the Board of Charities, the Associated Charities, the Salvation Army and party arrived on early trains. Kings Daughters are working hand

in hand. The work is very thorough. The task, however, is herculean. There is need of clothing, mattresses and other necessities.

Bread gave out Saturday night, but over 6,000 loaves arrived Sunday from Atlanta and Charleston, and Savannah sent 20,000 loaves at night.

The work of cleaning up and clean-ing away wreckage will be begun Monday morning. The county con-victs, the city convicts and as many thousand men as can be employed will go to work on the streets, sewers and canals. The board of health has the sanitation situation well in hand. The police, with emergency deputies, are in absolute control. There is no loitering or rowdyism. The city has asked Georgia's United States Senators to urge the federal authorities to send an

engineer here to inspect the flood sit-uation along the river with a view to the consideration of measures for the protection of the city from flood in the future.

Washington (Special) .--- The Ald--

rich-Vreeland emergency currency The boys who were beaten until law at which Congress and President Roosevelt worked so laboriously last year and which cost so much cracking of the party whip to secure its passage bids fair, in one respect at least, to be practically a dead letter. The principal feature of the law was the formation of national currency associations by the national banks of each locality, which were to take out the currency for their sections to and guarantee to the Treas-

ury Department the securities put with the Secretary as collateral for bank notes. The banks in New York, Baltimore, Chicago, Boston and other large cities took up the question of organizing local currency reconstructors, but two obstacles preassociations, but two obstacles pre-sented themselves, with the result

that up to the present time the only association that has been formed is that of the banks in Washington.

The few objections were, first, that under the law each bank would have an equal voice in the proceedings of the currency association regardless of its capital or surplus. and, second, that there was no pro-vision in the law by which a bank could withdraw from an association joined. The after having once

Fair grounds, and was attended by many thousands of people regardless of party attracted by the distin-guished speakers on the programme. The weather was ideal, clear and cool, with a pleasant breeze that

swept over the grounds. William Jennings Bryan and other speakers, members of the notifica-tion committee appointed at the Den ver Convention, members of the Na tional Committee headed by Norman E. Mack and others of the official The morning hour, were devoted to to conferences by party leaders while a band concert at the Deniso leaders Hotel assisted in amusing the crowds that poured through the corridors. Later a reception was held by Mr. Bryan and Mr. Kern in the hotel parlors.

The programme for the day in-cluded luncheon at the hotel by the speakers and members of the na-tional and notification committeen. after which the official party was driven to the State Fair Grounds in automobiles, Mr. Bryan, Mr. Kern and Chairman Bell of the notification committee, riding together The ride through the city to the fair grounds was through the principal business streets and past the Kern residence. The doors of the Collseum were thrown open to the public several hours before the exercises

began. Thomas Taggart, national committeeman from Indiana, had been selected to call the meeting to order. He immediately handed the gavel to National Chairman Mack, who introduced Theodre E. Bell, of Cali-fornia, chairman of the notification committee, who formally notified Mr. Kern that he had been selected by the Democratic party to go on the national ticket with Mr. Bryan In advising Mr. Kern of his nomi-nation at the Denver Convention as the Democratic Vice Presidential candidate Theodore A. Bell, chair-

man of the notification committee, after alluding to the high esteem in which Mr. Kern is held by the people of his own State, said: "You will be able to show that Mr. Taft is attempting to reach the White House through a mirror maze which is likely to leave him on No-

vember 3 just where he started on the 18th of June. After reading Mr. Taft's letter of acceptance you will be able to show that his candidacy is like one of those new-fangled signs that we see on the streets so often, when you are approaching it reads one thing, and when you are

leaving it speils something else. "And also in this connection you will be able to show that in places where President Roosevelt is supposed to enjoy great popularity it is sung into the ears of his admirers that if Mr. Taft is elected, the spirit of the departed Roosevelt will be found crouching behind the throne and directing new onslaughts against the corporations and that in tions where Roosevelt has incurred

grave censure by reason of his stren uous policies they are whispering in the ears of Standard Oil, the Steel Trust, the transportation companies and others of their ilk that after the 4th of March the shade of Roosevelt will be found wandering through the jungles of Africa in pur suit of bigger game, leaving Taft to deal complacently with the offending corporations. "Even those who believed that be-

fore Taft was nominated for the ped in Rooseveltian waters now have Presidency he was thoroughly dip-
