Harrisburg's City Superintendent proposes that the old fashioned spelling school shall be revived in that city. This is a "capital" idea, and the teachers of Fulton county would do well to follow his example. While the local institute has been a means which has resulted in great good to the teachers and, consequently, to the schools, yet if part of the evenings that are spent on the local institutes, were spent in conducting old fashioned spelling schools where not only the pupils might take part, but the adult portion of the neighborhood, as well, might take a hand, much good would be accomplished, and the meetings would be fraught with much pleasure and profit to all who might participate. It is a humiliating fact that, with all the advance in the course of study and the methods of advanced instruction, our schools are turning out a generation of poor spellers. Let's have the old fashioned spelling school this winter, and plenty of it!

Lives Price of Coal.

The price of coal is a topic that is always timely and always leads to heated discussions, but neither the consumer nor operator departs very far from the question of dollars and cents. Fresh statistics, however, open our eyes to another item of "cost." In bringing to the surface more than 3,125 men lost their lives and nearly twice that number were injured. A fearful cost, indeed, and one to which the country at large seldom gives a moment's thought.—Washington Post.

Woman Interrupts Political Speaker.

A well dressed woman interrupted a political speaker recently by continually coughing. If she had taken Foley's Honey and Tar it would have cured her cough quickly and expelled the cold from her system. The genuine Foley's Honey and Tar contains no opiates and is in a yellow package. Refuse substitutes. Trout's drug store.

SHE LIKES GOOD THINGS.

Mrs. Chas. E. Smith, of West Franklin, Maine, says: "I like good things and have adopted Dr. King's New Life Pills as our family laxative medicine, because they are good and do their work without making a fuss about it." These painless purifiers are sold at Trout's drug store. 25c.

The receipts of the Hagerstown fair last week amounted to about \$50,000, and netted the Company about \$10,000. This is really more money than the Fulton County Tournament Association cleared at their recent exhibition.

Excellent Health Advice.

Mrs. M. M. Davison, of No. 379 Gifford Ave., San Jose, Cal., says: "The worth of Electric Bitters as a general family remedy, for headache, biliousness, and torpor of the liver and bowels, is so pronounced that I am prompted to say a word in its favor, for the benefit of those seeking relief from such afflictions. There is more health for the digestive organs in a bottle of Electric Bitters than in any other remedy I know of." Sold under guarantee at Trout's drug store. 50c.

"Spare the rod and spoil the clothes" is the manner in which Lancaster county parents have revised an old saw, and the parents object to spoiling the clothes. The old-fashioned method of thrashing an unruly pupil not only is approved, but it is suggested to teachers as a proper punishment for children who, otherwise, would be placed on the floor, their clothing absorbing oil and dust.

Report of the Sunday School Convention of Dublin District Held at Burnt Cabins, Saturday, Oct. 10, 1908.

The afternoon session was held in the Presbyterian church. The convention was called to order by the Chairman, Mr. Fraker. Devotional services were conducted by Rev. Baxter. Singing—"All Hail the Power of Jesus' Name."

The question, "How to make the Sunday School Attractive to the Boy," was opened by Rev. Pittinger, who said, "In order to get the boys into the Sunday school we must have plans. Have the Sunday school room attractive. Have something in the Sunday school that will interest the boy."

The next speaker on the subject was Mr. J. L. Kope, who said, "We as christians should do something for the Master. The superintendent should have spiritual preparation. Give the boys a chance."

Mrs. Laubers, the last speaker on the subject, advocated the use of music as a means of attracting the boy.

The subject, "How to Secure Cooperation between the Home and the School," was opened by Mrs. John A. Henry. The main points in the discussion were—1st. Have a personal talk with the parents. 2nd. The teacher should invite the scholars to her home. 3rd. The superintendent and teachers should let the parents know they are interested in the children.

The subject was then taken up by Mr. H. H. Hertzler. The gist of Mr. Hertzler's remarks was that parents as well as children should attend the Sunday school.

The last subject of the afternoon, "How Shall We Conduct the Quarterly Review, so That It Will be Interesting as Well as Helpful to the School?" was opened by Rev. Baxter, who said, in the course of his remarks that the written review conducted upon the same plan as the public school review was the proper way to review the lessons of the quarter.

The evening session of the convention held in the M. E. church, opened with a song service. Devotional services were conducted by Rev. Pittinger. Singing—"When I Get Home."

In the absence of Messrs. Buckley and Grove the first subject—"Should the Superintendent Teach a Class?"—was opened by H. H. Hertzler. In the discussion of this subject Mr. Hertzler said, "A superintendent should not teach a class because his duties are too numerous."

The next speaker on the above subject was Rev. Pittinger. "The superintendent needs to look after visitors, to promote and transfer pupils from class to class. He should sum up the important points of the lesson for the review of the school."

Solo—"The Cloud and Fire," by Miss Nellie Bowman.

The subject, "Bible Study in the Home and in the School," was discussed by Bessie Reese, Warren Welch and Rev. Pittinger. Mr. Welch said in his remarks, "The Bible gives comfort and rest. The superintendent, teachers and scholars need a full knowledge of the Bible. The success of the school depends upon the way the Bible is studied." Rev. Pittinger said we should study the Bible earnestly and reverently.

The last subject of the evening, "Of What Importance is the Memorizing of Scripture," was discussed by Rev. Pittinger, H. H. Hertzler and Elmer Fraker. Rev. Pittinger said we should memorize Scripture not that we may be able to quote it, but that it may become a part of ourselves or second nature. Mr. Hertzler thinks the memorizing of Scripture is neglected. Mr. Fraker discussed the subject briefly and to the point. The memorizing of Scripture is important because of the comfort it brings.

Offering. Singing—"You May Have the Joy Bells" by Rev. Pittinger.
