It Always Tells The News As It

It has invariably been the great effort of the Thrice-a-Week edition of the New York World to publish the news impartially in order that it may be an accurate reporter of what has happened. It tells the truth, irrespective of party, and for that reason it has achieved a position with the public unique among papers of its class. If you want the news as it really is, subscribe to the Thrice-a-Week edition of the New York World, which comes to you every other day except Sunday, and is thus practically a daily at the price of a weekly. THE THRICE-A-WEEK WORLD'S regular subscription price is only \$1.00 per year, and this pays for 156 papers. We offer this unequaled newspaper

and THE FULTON COUNTY NEWS together for one year for \$1.75. The regular subscription price of the two papers is \$2.00.
