INDIGESTION ENDS.

Misery From Your Disordered Stomach Goes in Five Minutes.

You can eat anything your stomach craves without fear of a case of indigestion or dyspepsia...

Your meals will taste good, and anything you eat will be digested; nothing can ferment or turn into acid or poison or stomach gas...

Headaches from the stomach are absolutely unknown where this effective remedy is used. Diapepsin really does all the work of a healthy stomach.

Get a large 50-cent case of Pape's Diapepsin from your drug gist and start taking to day, and by to-morrow you will actually brag about your healthy, strong stomach...

Their Greatest Mistake.

Men and women make their greatest mistake when they think that happiness may be found in society. There is no tragedy more pitiful in modern life than that error of pride which leads one to wish for the so-called fashionable life.

We do not sufficiently appreciate the simple pleasures that lie about us. There is a familiar story of a vessel's crew almost dying of thirst off the coast of Brazil. Another vessel passing near was hailed, and implored to "Send water or we perish."

A little patience, a little surrender of pride, a little interest in others, a little trying to do good, will make the whole outlook of life radiant.

A Safe and Sure Cough Cure.

Kemp's Balsam

Does not contain Opium. Morphine, or any other narcotic or habit-forming drug. Nothing of a poisonous or harmful character enters into its composition.

TEN EARS FOR \$22.

Fancy Prices Paid for Prize Corn at Harrisburg Last Thursday.

Exhibits of prize corn, ten ears to each exhibit, sold last Thursday afternoon at the joint session of the Pennsylvania Live Stock Breeders' Association and Pennsylvania Dairy Union...

The corn comprised fine examples of yellow dent, white capped dent, white dent and flint. The bidding at times, when some blue ribbon exhibits were offered, was spirited.

The least paid for any ten ears was one dollar, and after the auction had ended many more ears from the exhibit were sold for a like sum.

Tommy's Persistence.

Tommy, after going to bed, became thirsty, or thought he did. According to the Detroit "News-Tribune," he called out:

"Ma, I want a drink."

The mother's voice answered back:

"Tommy, you go to sleep."

Tommy grunted, turned over, and was silent for ten minutes.

Then again:

"Ma, I want a drink."

"Tommy, you go right to sleep," was the reply.

Intense silence again for ten minutes. Then:

"Say, ma, I want a drink."

"Tommy, if you don't go right to sleep, I'll come and spank you."

More silence, this time for about two minutes. And then:

"Say, ma, when you come to spank me, won't you bring me a drink?"

Neighborly Advice.

I am not one of those who insist that everybody should mind his own business; that is too harsh a doctrine. One of the rights and privileges of a good neighbor is to give neighborly advice. But there is a corresponding right on the part of the advisee, and that is to take no more of the advice than he thinks is good for him.

Strange Fatality.

A strange fatality seems to follow the Lutz family of Philadelphia, N. J. Last Wednesday afternoon, William Lutz, a carpenter, fell from the second story of a new silk mill building and broke his neck.

WEST DUBLIN.

Misses May and Viola Mummis, of Hustontown, spent Sunday at Hiram Clevenger's. There was an oyster supper at Wilbert Erb's on Saturday evening for the benefit of the Ladig base ball club.

Asleep Up To Date.

A Hare, meeting a Tortoise one day, remarked as he looked at the Tortoise's heavy shell and short feet, "I think I could beat you in a race."

"All right," answered the Tortoise. "It is not every race that is won by a hare."

At the hour appointed for the contest the Hare soon left the Tortoise out of sight and, feeling sure of winning, lay down by the roadside to take a nap. After a half hour's sleep and rest he resumed the race.

The Hare was going at the limit of his speed, but the Tortoise was going at the speed limit and won the race by three miles and seven laps.

When the Hare, in the course of time, arrived at the post he said, with a sigh, "You'll never catch me in an endurance race again."

Moral—Foot racing is healthy, but motoring is swifter.—St. Nicholas.

NEW COMIC FEATURES.

Two new and bright comic features are now appearing in THE PHILADELPHIA SUNDAY PRESS. They are entirely new and very funny, drawn especially for THE PHILADELPHIA SUNDAY PRESS.

Mr. Softleigh is an easy old gentleman and is always getting into trouble because "He Cannot Say No." His experiences are very interesting and funny.

The other new feature is an interesting little chap called "Clumsy Claude," who tries to help his papa in all his undertakings. He is very ambitious and industrious but his results are always the reverse, for he is always getting into some mischievous trouble on account of being so very clumsy.

These new features will appear regularly every Sunday in the Comic Section of THE PHILADELPHIA SUNDAY PRESS. Also, our famous Hairbreadth Harry, Mrs. Timekiller, Mr. Grouch, John, Poor John, Lucky Mike, and Mrs. Rummage. All these famous comic people amuse thousands of readers of THE PHILADELPHIA SUNDAY PRESS, and why not you? They will entertain the young as well as the old.

REPRESENTATIVE McDONOUGH SICK.

Is in His Own House in New Grenada. Went Home from Harrisburg Tuesday. Took Cold.

The murky weather of the past few weeks that has filled strong people with grip and colds has made its influence felt to a greater degree on those who are physically weak at best. The many friends of Hon. James A. McDonough, who represents this county in the lower branch of the Pennsylvania legislature, will learn with regret that he has been obliged to get a leave of absence and go to his home in New Grenada, where he may have the advantage of quiet and careful home treatment.

EVANGELISTIC SERVICES.

Conducted by Rev. C. W. Bryner in the M. E. Church. Interest Increasing. About Twenty Conversions.

Evangelistic services have been in progress in the Methodist Episcopal church in this place since the tenth of January. They are being conducted by Rev. C. W. Bryner, pastor in charge, and are increasing in interest and power with each successive night.

Why's There.

A lawyer once asked a man who had at various times sat on several juries, "Who influenced you most, the lawyers, the witnesses, or the judge?" This was the man's reply: "I tell yer, sir, 'ow I makes up my mind. I'm a plain man, and a resonin' man, and I ain't influenced by anything the lawyers say, nor by what the witnesses say—no, nor by what the judge says. I just looks at the man in the dock, and I says, 'If he ain't done nothing, why's he there?' And I brings 'em all in guilty."—Bellman.

A Kind Firm.

Head of Firm (to old bookkeeper)—Henry, you've worked for us for thirty years, and during that time you have been faithful and your work has been satisfactory. But you are now so old that we must replace you with a younger man. We are very grateful to you, Henry, and, of course, will do the right thing. Have you saved?

Henry—I couldn't, sir, with my large family. "As I thought. Then I want to say to you that we shall be only too glad to keep you on for a month or so at a reduced salary until you can place yourself elsewhere."—New York Life.

English Made Easy.

A crow bar.—Kansas City Times.

That's a queer design you have in the corner of your forehead," remarked Siopay. "It's merely a little flower," replied the tailor. "Think it's appropriate, eh?" "Yes; it's a forget-me-not."—Minneapolis Journal.

FOLEY'S KIDNEY CURE

Makes Kidneys and Bladder Right

Better Not Get Dyspepsia

If you can help it. Kodol prevents Dyspepsia, by effectually helping Nature to Relieve Indigestion. But don't trifle with Indigestion.

A great many people who have trifled with indigestion, have been sorry for it—when nervous or chronic dyspepsia resulted, and they have not been able to cure it. Use Kodol and prevent having Dyspepsia.

Everyone is subject to indigestion. Stomach derangement follows stomach abuse, just as naturally and just as surely as a cold and healthy stomach results upon the taking of Kodol.

When you experience sourness of stomach, belching of gas and nauseating fluid, bloated sensation, gnawing pain in the pit of the stomach, heart burn (so-called), diarrhoea, headaches, dullness or chronic tired feeling—you need Kodol. And then the quicker you take Kodol—the better. Eat what you want, let Kodol digest it.

Ordinary pepsin "dyspepsia tablets," physics, etc., are not likely to be of much benefit to you, in digestive ailments. Pepsin is only

a partial digester—and physics are not digesters at all. Kodol is a perfect digester. If you could see Kodol digesting every particle of food, of all kinds, in the glass test-tubes in our laboratories, you would know this just as well as we do.

Nature and Kodol will always cure a sick stomach—but in order to be cured, the stomach must rest. That is what Kodol does—rests the stomach, while the stomach gets well. Just as simple as A, B, C.

Our Guarantee

Go to your druggist today and get a dollar bottle. Then after you have used the entire contents of the bottle if you are not cured, that it has not done you any good, return the bottle to the druggist and he will refund your money without question or delay. We will then pay the druggist for the bottle. Don't hesitate, all druggists know that our guarantee is good. This offer applies to the large bottle only and to but one in a family. The large bottle contains 24 times as much as the fifty-cent bottle.

Kodol is prepared at the laboratories of E. C. DeWitt & Co., Chicago.
