CHILD HAD SIXTY BOILS And Suffered Annually With a Red Scald-Like Humor on Her Head— Troubles Cured by Cuticura. AND FERTILIZERS. WRITE US

"When my little Vivian was about six months old her head broke out in boils. She had about sixty in all and I used Cuticura Sosp and Cuticura Cintment which cured her entirely. Sometime later a humor broke out behind her ears and spread up on to her head until it was nearly half covered. The humor looked like a scald, very red with a stocky, clear fluid coming from it. This occurred every spring. I always used Cuticura Soap and Ointment which never failed to heal it The last time it broke out it became so had that I was discouraged. But I continue the use of Caticura Soap, Ointment and Resolvent until she was well and has never been troubled in the last two years. Mrs. M. A. Schwerin, 674 Spring Wells Ave., Detroit, Mich., Feb. 24, 1908."
