A few days ago the Editor received a letter from Mr. Robert Divilbiss in which he wished to be remembered to his old McConnellsburg friends, mentioning among others, Martin M. Bender, David McNulty, Daniel L. Grissinger, John Fox, and Robert Smith. Mr. Divilbiss resided here several years ago, and was at one time leader of the Band. He now resides on a farm and his postoffice address is Shepherd, Michigan, R. 5, Box 81. I am sure Mr. Divilbiss would enjoy getting a letter from any of his old time friends here.

The battleship fleet is now on the Atlantic homeward bound, with all the sixteen bands playing "Home, Sweet Home," as loud as they can. The cruise has cost about twenty millions, and it is not clear whether this includes the several millions that will have to be spent in overhauling the ships when they get to home ports, or not; but, at any rate, the fleet has had "a perfectly corking time," and so has the "resident." The display of force by or may not have done much to promote the world's peace, but they hope that the international whistles exchanged have answered something in that direction to the Legislature of California and Nevada. **Time is a Record.**

FRANKLIN MILLS.

Edward Golden Seriously Injured by an Explosion in a Limestone Quarry Last Saturday.

Edward Golden and his brother Ellsworth, of Bethel township, were quarrying limestone at the former's home last Saturday. They drilled a hole, loaded it, lighted the fuse, "lighted out" themselves to a place of safety, and waited for the explosion. After waiting a reasonable length of time, they went cautiously up to the place and found that when they had gone out of the quarry, the fuse had gone out, too. Doing what quarrymen usually do under like circumstances, they proceeded to remove the tamping, and as they were doing so, the fuse that seemed so dead, began to sizz and spit, warning the boys that there would be something 'dom' in about a minute. They took the hint and left—Ellsworth going clear out of the quarry, but Edward, who was more venturesome, did not go so far. In a moment there was a puff of smoke and dust, a loud roar, and the stones played around like a shower of big hailstones. One of these stones struck Edward violently in the left side, pretty nearly putting him out of business. Dr. Rensburg was called and found one rib broken and one lung injured. At present he is not able to lie in bed, but has to spend his nights in a chair.

Mrs. Bundy Crist and Miss Jessie E. Lewis spent last Thursday very pleasantly with Mrs. J. P. Fisher, near Warfordsburg.

Frank Lewis and Ellsworth Golden are busy hauling limestone for a lime kiln.

Lemuel Kirk is moving his saw mill from near Franklin Mills to Job Hess's to saw out a barn bill.

Bundy Crist has a contract of logging for Ed Ritz on A. J. Rensburg's home place.

There will be a flag raising at Gordon's schoolhouse in Pigeon Cove on Lincoln's birthday. They are expecting a good time.

There will be a debate at Franklin Mills schoolhouse Friday night, the 19th. All are invited.

EFFECTIVE RECIPE.

Home-Made Kidney, Bladder, and Rheumatism Medicine for Readers.

Here is a simple home-made mixture as given by an eminent authority on Kidney diseases, who makes the statement that it will relieve almost any case of Kidney trouble if taken before the stage of Bright's disease. He states that such symptoms as lame back, pain in the side, frequent desire to urinate, especially at night; painful and discolored urination, are readily overcome. Here is the recipe. Try it:

Fluid Extract Dandelion, one-half ounce; Compound Karzon, one ounce; Compound Syrup Sarsaparilla, three ounces. Take a teaspoonful after each meal and at bedtime. These ingredients are all harmless and easily mixed at home by shaking well in a bottle. This mixture has a peculiar healing and soothing effect upon the entire Kidney and Urinary structure, and often overcomes the worst forms of Rheumatism in just a little while. This mixture is said to remove all blood disorders and cure Rheumatism by forcing the Kidneys to filter and strain from the blood and system all uric acid and foul, decomposed waste matter, which cause these afflictions. Try it if you aren't well. Save the prescription.

MIDWINTER Clearance Sale

AT
John S. Wilson's Store,
Three Springs.

While there is practically three months of winter weather to be expected yet, the wide-awake merchant begins early to clear his stock to make room for Spring purchases.

The old way of merchandising was to carry over from one season to another all unsold goods, and never parting with an article unless the full retail price was received. That day is gone by. Goods bought for the winter trade must go in the winter, and it is much better in the end that the stock should be closed out at profit or no profit, than to be at the trouble of storing it away and beginning next winter's business with old out-of-date stuff.

During the Month of February
we shall sell at way-down prices,
Men's, Women's and
Children's Clothing

Blankets, Arctics, Rubbers, Carpets, and with these goods will go at Special Prices. Dry Goods, Groceries, Hardware and Housefurnishing Goods.

We want it distinctly understood that when it comes to quality of goods we will not be undersold by anybody.
