**GRIP IS PREVA-**LENT AGAIN. A prompt remedy is what every one is looking for. The efficiency of Peruna is so well known that its value as a grip remedy need not be questioned. The grip yields more quickly if taken in hand promptly. If you feel grippy get a bottle of Peruna at once. Delay is almost certain to aggravate your case.

Americanizing Canada.

Blaetter.

## More than half of the 5,000 immigrants who entered Canada in Decem-ber were from the United States. In the year 1908 nearly 150,000 came in, and 57,000 of them were from "the States," as our neighbors over the border put it. This sort of thing is giving the Canadian Northwest, a vast region of much vitality and promise and swift growth, a decided American tinge. American books and magazines, American fashions. American slang and American ideas. too, are much in evidence. American money is one of the greatest sources of prosperity. American enterprise is leading the most active and growing section of the Dominion along the to very American wealth and

The Exceptional Equipment

of the California Fig Syrup Co. and the scientific attainments of its chemists have rendered possible the production of Syrup of Figs and Elixir of Senna, in all of its excellence, by obtaining the pure medicinal principles of plants known to act most beneficially and combining them most skillfully, in the right proportions, with its wholesome and refreshing Syrup of California Figs.

As there is only one genuine Syrup of Figs and Elixir of Senna and as the genuine is manufactured by an original method known to the California Fig Syrup Co. only, it is always necessary to buy the genuine to get its beneficial effects.

A knowledge of the above facts enables one to decline imitations or to return them if, upon viewing the package, the full name

UTNAM

of the California Fig Syrup Co. is not found printed on the front thereof.

of sores from head to tool, I bound have like a piece of raw beef than a human being. The pain and agony I endured seemed more than I could bear. Blood and pus oozed from the great sore on my scalp, from under my finger nails, and nearly all over my der my inger nalls, and nearly all over my body. My cars were so crusted and swollen I was afraid they would break off. Every hair in my head fell out. I could not sit down, for my clothes would stick to the raw and bleeding flesh, making me cry out from the pain. My family doctor did all he could, but I got worse and worse. My condition was awful. I did not think I could hive, and wanted death to come and end my frahtful sufferings.

could live, and wanted death to come and end my frightful sufferings. "In this condition my mother-in-law begged me to try the Cuticura Remedies. I said I would, but had no hope of recov-ery. But oh, what blessed relief I experi-enced after applying Cuticura Ointment. It cooled the bleeding and itching fiesh and brought me the first real sleep 1 had had in weeks. It was as grateful as ice to a burn-ing tongue. I would baths with warm weeks. It was as graterin as ice to a hirri-ing tongue. I would bathe with warm water and Cuticura Soap, then apply the Ointment freely. I also took Cuticura Re-solvent for the blood. In a short time the sores stopped running, the flesh began to heal, and I knew I was to get well again. Then the hair on my head began to grow, and in a short time I was completely acced

and in a short time I was completely cured I wish I could tell everybody who has ec-zema to use Cuticura. Mrs. Wm. Hunt, 125 Thomas St., Newark, N. J., Sept. 28, 1908. Potter Drug & Chem. Corp., Sole Props. of Cuticura Remedies, Hoston, Mass.

New York's traction lines carry 66 per cent. more passengers than all the steam railroads in the country. B. N. U. S.

There was never an imitation made of an imitation. Imitators always counterfeit the genuine article. The genuine is what you ask for, because genuine articles are the advertised ones. Imitations are not advertised, but depend for their business on the ability of the dealer to sell you something claimed to be "just as good" when you ask for the genuine, because he makes more profit on the imitation. Why accept imitations when you can get the genuine by insisting?
