MIFFLIN COUNTY DRY.

Court. Last Week, Refused All Licences Applied For.

Over in Mifflin county last week President Judge Woods, and Associates Bell and Swyzer refused all the 16 liquor licenses applied for in that county, and as the old licenses expired last Saturday, that county is now "dry."

Last fall three-fourths of the voters declared for no license in the election of an associate Judge and there were nearly five thousand signatures to the remonstrance presented in court.

Many of the hotel managers and proprietors of Lewistown have announced their intentions of dismissing their servants and quitting business entirely, because, they claim the closing of the bars will practically put them out of business. Excessive rents and high prices of food stuffs; they say, makes it absolutely necessary for them to conduct the bars and make expenses. Landlords of \$2 and \$2.50 per day houses declare that it is necessary for them to get from \$900 to \$1,000 per year from their bars to make ends meet.

In the history of the county the enthusiasm in which the decision of the court in refusing the granting of liquor license applications has never been equaled. A. Reed Hayes argued for the granting of the licenses and W. W. Uttley against it. Immediately after they had closed their addresses three Judges on the bench conferred and the President Judge Wood's announced the court's decision.

The crowd cheered. In one section of the room were a lot of women representing the various temperance societies and organizations of the county. Their emotions could not be contained; they burst into singing Praise God From Whom All Blessings Flow.

Down the street outside rambled a crowd of mere men; there were tears in the eyes of some and all looked dejected. They, too, sang:

How dry I am, how dry I am!
Nobody knows how dry I am!

STOMACH DISTRESS.

And All Missry From Indigestion Vanishes Five Minutes Later.

Every family here ought to keep some Diapepsin in the house, as any one of you may have an attack of Indigestion or Stomach trouble at any time, day or night.

This harmless preparation will digest anything you eat and overcome a sour stomach five minutes afterwards.

If your meals don't tempt you, or what little you do eat seems to fill you, or lays like a lump of lead in your stomach, or if you have heartburn, that is a sign of Indigestion.

Ask your Pharmacist for a 50-cent case of Pape's Diapepsin and take one triangle after supper tonight. There will be no sour risings, no belching of undigested food mixed with acid, no stomach gas or heartburn, fullness or heavy feeling in the stomach. Nausea, Debilitating Headaches, Dizziness or Intestinal griping. This will all go, and, besides, there will be no sour food left over in the stomach to poison your breath with nauseous odors.

Pape's Diapepsin is a certain cure for all stomach misery, because it will take hold of your food and digest it just the same as if your stomach wasn't there.

Actual, prompt relief for all your stomach misery is at your Pharmacist, waiting for you.

These large 50-cent cases contain more than sufficient to cure a case of Dyspepsia or Indigestion.

MIDWINTER Clearance Sale

AT

John S. Wilson's Store,
Three Springs.

While there is practically three months of winter weather to be expected yet, the wide-awake merchant begins early to clear his stock to make room for Spring purchases.

The old way of merchandising was to carry over from one season to another all unsold goods, and never parting with an article unless the full retail price was received. That day is gone by. Goods bought for the winter trade must go in the winter, and it is much better in the end that the stock should be closed out at profit or no profit, than to be at the trouble of storing it away and beginning next winter's business with old out-of-date stuff.

During the Month of February

we shall sell at way-down prices.

Men's, Women's and Children's Clothing

Blankets, Arctics, Rubbers, Carpets, and with these goods will go at Special Prices. Dry Goods, Groceries, Hardware and Housefurnishing Goods.

We want it distinctly understood that when it comes to quality of goods we will not be undersold by anybody.

After spending ten years in Bellefonte working in the quarries Alessandro Verrachio, an Italian, left last week for his home near Florence, Italy. He took with him \$4,000 which was mostly made by receiving \$1.35 a day, though he often worked piece work which paid him as high as \$3 a day. This \$4,000 exchanged into Italian money will make him a rich man in his own country enabling him to ride on flowery beds of ease the balance of his life.
