STOMACH DISTRESS.

And All Missy From Indigestion Vanishes Five Minutes Later.

Every family here ought to keep some Diapepsin in the house, as any one of you may have an attack of indigestion or stomach trouble at any time, day or night.

This harmless preparation will digest anything you eat and overcome a sour stomach five minutes afterwards.

If your meals don't tempt you, or what little you do eat seems to fill you, or lays like a lump of lead in your stomach, or if you have heartburn, that is a sign of indigestion.

Ask your Pharmacist for a 50-cent case of Pape's Diapepsin and take one triangle after supper tonight. There will be no sour risings, no belching of undigested food mixed with acid, no stomach gas or heartburn, fullness or heavy feeling in the stomach. Nausea, Debilitating Headaches, Dizziness or Intestinal griping. This will all go, and, besides, there will be no sour food left over in the stomach to poison your breath with nauseous odors.

Pape's Diapepsin is a certain cure for all stomach misery, because it will take hold of your food and digest it just the same as if your stomach wasn't there.

Actual, prompt relief for all your stomach misery is at your Pharmacist, waiting for you.

These large 50-cent cases contain more than sufficient to cure a case of Dyspepsia or Indigestion.

MIDWINTER

Clearance Sale

AT

John S. Wilson's Store,

Three Springs.

While there is practically three months of winter weather to be expected yet, the wide-awake merchant begins early to clear his stock to make room for Spring purchases.

The old way of merchandising was to carry over from one season to another all unsold goods, and never parting with an article unless the full retail price was received. That day is gone by. Goods bought for the winter trade must go in the winter, and it is much better in the end that the stock should be closed out at profit or no profit, than to be at the trouble of storing it away and beginning next winter's business with old out-of-date stuff.

During the Month of February

we shall sell at way-down prices,

Men's, Women's and Children's Clothing

Blankets, Arctics, Rubbers, Carpets, and with these goods will go at Special Prices. Dry Goods, Groceries, Hardware and Housefurnishing Goods.

We want it distinctly understood that when it comes to quality of goods we will not be undersold by anybody.

Comrade Scott S. Hann, of Webster Mills, committee for Ayr township, has been instrumental in securing tombstones from the government for seven veterans; namely, Peter Thomas, of the War of '12, and John Thomas, Charles Darts, Thomas Shaw, Uriah Helman, Jonathan Richards, and Wm. Reeder, of the Civil War.

The effect of the poor yield of last year's potato crop in this section is being felt in a general shortage and consequent high price of that commodity. The prevailing price is \$1 a bushel. Many of the farmers not only have no potatoes to sell, but are themselves compelled to buy potatoes for seed and for use in the family, which is a condition without a parallel in many years.
