Royal Baking Powder has not its counterpart at home or abroad. Its qualities, which make the food nutritious and healthful, are peculiar to itself and are not constituent in other leavening agents.

Chickens In The Ministry.
The Rev. A. Z. Conrad, pastor Park Street church, relates this one:

A country minister in the course of his dining out on the circuit came to a house where a roast chicken was served for dinner. He had previously encountered a series of rib corned beef dinners and the chicken looked good to him.
"Well," he facetiously remarked "here's where that chicken enters the ministry."

STOMACH DISTRESS.
And All Misery From Indigestion Vanishes Five Minutes Later.

Every family here ought to keep some Diapepsin in the house, as any one of you may have an attack of Indigestion or Stomach trouble at any time, day or night.

This harmless preparation will digest anything you eat and overcome a sour stomach five minutes afterwards.

If your meals don't tempt you, or what little you do eat seems to fill you, or lays like a lump of lead in your stomach, or if you have heartburn, that is a sign of Indigestion.

Ask your Pharmacist for a 50-cent case of Pape's Diapepsin and take one triangle after supper tonight. There will be no sour risings, no belching of undigested food mixed with acid, no stomach gas or heartburn, fullness or heavy feeling in the stomach. Nausea, Debilitating Headaches, Dizziness or Intestinal griping. This will all go, and, besides, there will be no sour food left over in the stomach to poison your breath with nauseous odors.

Pape's Diapepsin is a certain cure for all stomach misery, because it will take hold of your food and digest it just the same as if your stomach wasn't there.

Actual, prompt relief for all your stomach misery is at your Pharmacist, waiting for you.

These large 50-cent cases contain more than sufficient to cure a case of Dyspepsia or Indigestion.

MIDWINTER Clearance Sale AT John S. Wilson's Store, Three Springs.

While there is practically three months of winter weather to be expected yet, the wide-awake merchant begins early to clear his stock to make room for Spring purchases.

The old way of merchandising was to carry over from one season to another all unsold goods, and never parting with an article unless the full retail price was received. That day is gone by. Goods bought for the winter trade must go in the winter, and it is much better in the end that the stock should be closed out at profit or no profit, than to be at the trouble of storing it away and beginning next winter's business with old out-of-date stuff.

During the Month of February we shall sell at way-down prices, Men's, Women's and Children's Clothing

Blankets, Arctics, Rubbers, Carpets, and with these goods will go at Special Prices. Dry Goods, Groceries, Hardware and Housefurnishing Goods.

We want it distinctly understood that when it comes to quality of goods we will not be undersold by anybody.
