An act passed by the assembly and signed by Governor Stuart, gives justices of the peace the power to settle surety cases and dispose of the costs. Formerly the justices could settle only assault and battery cases. This is a move which should result in the reduction of the petty court cases and should prove of much practical benefit.

A company having a capitalization of \$500,000 has been organized to revive the mining of nickel, which was once so important an industry in Bart township, Lancaster county. Years ago the nickel mines of that section were known the world over, but in recent years the industry was neglected, owing to the lack of interest. Now that new deposits of the metal have been found, the matter has been brought to the surface and the mining will be resumed on a large scale.

HIDES.—James Sipes & Son pay the highest market price for beef hides at their butcher shop in McConnellsburg, also highest price paid for calf skins, sheepskins and tallow.

An eastern editor says that a man got in trouble by marrying two wives. A western editor says many of them have done the same by marrying one. A northern editor says that a number of his friends found trouble by merely promising to marry with out going any further. A southern editor says a friend of his was bothered enough when he was simply found in the company of another man's wife. This makes it look very much like it's as much as a man's life is worth to go near a woman, married or single.

You should not delay under any circumstances in cases of Kidney and Bladder trouble. You should take something promptly that you know is reliable, something like DeWitt's Kidney and Bladder Pills. They are unequalled for weak back, backache, inflammation of the bladder, rheumatic pains, etc. When you ask for DeWitt's Kidney and Bladder Pills, be sure you get them. They are antiseptic. Accept no substitutes; insist upon getting the right kind. Sold by Trout's drug store.
