Everybody is likely to have kidney and bladder trouble. In fact nearly everybody has some trouble of this kind. That is the reason why you so often have pains in the back and groin, scalding sensation, urinary disorders, etc. that's your kidneys. The best thing to do is to get some of DeWitt's Kidney and Bladder Pills right away. Take them for a few days or a week or so and you will feel all right. In this way, too, you will ward off dangerous and possibly serious ailments. They are perfectly harmless, and are not only antiseptic, but allay pain quickly by their healing properties. Send your name to E. C. DeWitt & Co., Chicago, for a free trial box. They are sold here at Trout's drug store.

We have received notice from I. D. Thompson to change the address of his paper from 1834 Girard Ave., to 860 N. 19th St., where he and family will be found by any of his Fulton county friends, when in Philadelphia. He is very much pleased with his position and all like their new home. Dwight says the latch string will be out for any of the Fulton county folks.

Miss Pearl Garland, who recently entered the Tri State Business College as a student, received an invitation the other day from the committee, to attend a banquet in Cumberland on the 27th of this month to be given in honor of Prof. Smith, the retiring president. In the list of graduates in this year's class of the High School at Saxton, Pa., we are pleased to notice the name of Howard N. Hoke, son of Mr. and Mrs. Will Hoke formerly of this place. Howard was Class Prophet at the Commencement. We congratulate our young friend and trust that this may indeed be the commencement to him of a long life of usefulness.

A WILD MAN CAPTURED.

Had Been Roaming About From Place to Place.

Giuseppe Bortiacca, aged about 40 years, the wild man of the Juniata Valley, was captured last Friday a week at Brooklyn a little village among the mountains of Mifflin county, above Lewistown, and was later lodged in the county jail, ranting and roaring like a lion, the man being evidently insane. He is described as a perfect specimen of manhood, physically, being six feet tall, straight as an arrow, without an ounce of superfluous flesh. He has a grip like a steel vise and a beard covers his entire countenance. His eyes, seen through the tangled mass of hair, are wild and bloodshot.

A note book found in his pockets gives the address of Joseph Martin, Broad Top, Pa., and refers to many small towns in the Westmoreland, Clearfield and Broad Top districts. These are written alternately in Italian and English, and are invariably of a humorous vein.

The man was seen in Altoona freight yards three weeks ago hatless and coatless, and since then various traps had been devised for his capture, but he managed to elude them all until Friday.
