The man in town who thinks all the farmer has to do is to sit under a shade tree and watch things grow, and the farmer who thinks that all the town man has to do is to sit behind the counter and rake in the money, are alike mistaken. But this perhaps is the reason that so many farmers want to move into town and so many town people want to go down on the farm. No matter what calling you follow in this life it has its ups and downs, its advantages as well as its disadvantages.

Mr. and Mrs. M. A. Wray, with their chauffeur, George Frey—all of Little Falls, N. J., spent a few hours in town last Saturday. She was a daughter of John McDowell, and was born in the Cross Keys hotel in 1855, when her father was proprietor of that famous old hostelry. The Cross Keys stood on the ground where stands the D. B. Nace building now occupied by the Reisners and by the First National Bank.

Our Grand Army men held memorial services here last Saturday. The orator of the day was Rev. Edward L. Kennedy, of Saxton. The Racket Store

Having recently had so many calls for the Warner Corset, we have added them to our stock, and are not a bit sorry for it either, for they are all that has been claimed for them.

This 156 style for the average figure is fine—has the rust-proof stays, is a perfect fitter, and costs you only 75 cents.

These Corsets are made in 61 patterns, and if we do not have the style you want we will gladly get it for you.

The second style is more suitable for every one—and for every day use, and the price of this is only 90 cents. They make another grade that we sell at 45c, in two styles, which is the best value we ever had at 45c. Don't fail to see our line of Corsets. Of course, we still have the Armorside at 85c.
