Desperate Struggle To Save The Woman From Intended Suicide While Excited Crowd Looks On. Cohen Grasps A Stump And Is Kept From Being Swept Over, But Help Is So Long Coming That His Wife Dies.

Niagara Falls, N. Y. (Special) .-Louis Cohen, of Buffalo, saw his young wife leap into the swirling river between second and third Sisters Islands at 5 o'clock P. M., only 150 feet above the brink of the cataract. phy turned from pig-sticking to man-killing in the North Packing and followed her, caught her hand and struggled desperately to save her.
Mrs. Cohen probably died in her

husband's arms. Before it was pos-sible to bring efficient help an hour had passed, during all of which Cohen was making frantic attempts to reach the shore. But the struggle against the current—at this point it is about 20 miles an hour—was beyond merely human muscle. For-

tune aided him. With his wife tightly clasped to him he felt himself hump into a chair. srounded tree stump and on this he got a grip with his one free hand. 13-yea He lustily shouted for help, and word Morni was carried to the reservation police, opes, and Representative James S. Simons and three other men,

When he did catch it he was too weak to tie it about his own or his wife's waist. The two were twenty water, all the strength had gone out of Cohen. And, too, he had been unable to keep his wife's face above the water.

Once Cohen had hold of the rope the men on shore began to pull, and Officer Martin, who was in the front, slipped and fell into the stream, but quickly regained his feet. When within 15 feet of the shore, Cohen lost his grip on his wife's body and it was carried off down stream and was lost to view. Cohen was so far gone when the

CHAUFFEUR GETS LONG PRISON TERM

JUDGE CALLS HIM MURDERER. William Darragh, Who Ran Down And Killed Young Inguard Trimble And Then Fled From New York, Gets Severe Arraignment From Judge-Next Man Arrested

On Same Charge May Go To Elec-

tric Chair, Court Declares. Darragh, the chauffeur who killed Rift Valley, on the way up from a boy and ran away, was sentenced Nairobl. He and Major Mearns rode to Sing Sing prison for not less than seven years, and not more than twenty. Judge Mulqueen's remarks were calculated to make an impression wherever they are read; and it is safe to say that every chauffeur and automobile-driver will read every word of them.

Judge Mulqueen said that the proof of murder had been overwhelming, and that Darragh should have been glad to escape with a conviction of manslaughter. He added that, if another chauffeur should be tried on a similar charge, he would undoubtedly be sent to the

It was Darragh who ran down 13-year-old Ingvaard Trimble, at Morningside Avenue and One Hundred and Sixteenth Street, on March 27, and, after dragging the boy for but it was nearly an hour after Mrs. 27, and, after dragging the boy for Cohen jumped into the river that some distance, thus inflicting the inofficer James Martin arrived with juries from which he died, speeded away and was arrested only after a pursuit to Texas. He was accused Three times they threw the rope of murder, and the General Sessions before it fell within Cohen's grasp. Jury before which he was tried found him guilty of manslaughter in the first degree.

Warning To The Reckless.

Judge Mulqueen told Darragh that, if he imagined himself the vic-tim of the popular clamor against reckless chauffeurs as a class, he was mistaken, because he had had a fair evangelization, so far as possible, of trial, and had been convicted on the tribes in the interior of Africa strength of his own crime. However, the judge then went on to say that he hoped the punishment he meted out to Darragh would serve as a warning to other chauffeurs.

"This case has excited such in-

"No new or obscure law has been invoked in this instance. The statute defining murder in the first degree is very old. It provides as follows: "The killing of a human being, unless it is excusable or justing, unless it is excusable or justing, unless it is excusable or justingle, is murder in the first degree."

It known to Europeans. They are said to be brave and warlike, aminable, intelligent and good cultivators of the soil.

On this expedition the members of the Roosevelt party will have their first real experience of the African jungle, as some section of the Soil. finishe, is murder in the first degree, jungle, as some section of the So'lk when committed by an act immidistrict are very little known to the nently dangerous to others, and white man. evincing a depraved mind, regardless of human life, although without WAGES RAISED IN PITTSBURG. a premediated design to effect the death of any individual."

"That law was enacted at a time when the automobile was unknown, and when the present intolerable conditions could not possibly been foreseen. And yet it so clearly It was held fast by a rock, about 100 applies to the reckless use of these feet above the brink. Without ropes machines that I doubt if its terms could be improved upon by the most

expert legislative draughtsman.
"It was urged by your learned counsel that you did not intend to kill your victim. But it is an elementary legal rule that a man's intent may be inferred from his acts. When you took your seat in that car you were free to drive carefully or recklessly. You choose to go at a most reckless speed. And you knew that you bore a message of death for the unfortunates in your path. secret trials of airships and zero- You knew that all the people had You cared more or any other person. You had the Appropriation Estimates For 1911 power to choose, and you elected to do that which destroyed an innocent life and brought the deepest sorrow to a happy home

Brands It As Murder.

"Experienced counsel evoked all their skill and persuasive eloquence in your behalf. Every talesman who admitted the slightest prejudice late public affairs, but to decide on the truth or falsity of the specific charge against you. If any motive swayed the jury other than a sense of duty it was not a desire venge, but rather a spirit of mercy. Indeed, I am convinced that if you had been a rich man or a dissolute not believed that the efficiency the verdict would have been the Interior Department will be in murder.

"The legal proof of murder was overwhelming. But not even most sympathetic could acquit you of manslaughter. The statutes fining that crime were clearly applicable. and no question of intent is involved in them. The law does not seek revenge, and punishment of one criminal is intended to serve as a warning to others,"
