

Flour at Scott's, 55c. 3t.
Mrs. Ruth W. Swope and son Howard were in town Monday morning.
On account of repairs going on at the Greenhill Presbyterian church there will not be any services there next Sunday morning.
W. Scott Dickson, who has been with the Taylor engineering corps in York county, came home Monday evening for a short vacation.

HIDES WANTED.—Highest market price paid for beef hides, horse hides, wildcat skins, and all kinds of grease, at Paul Wagner's Tannery, McConnellsburg.
There will be a meeting of the W. C. T. U. in the Presbyterian church Friday evening, at 7:30 o'clock, to which all persons are invited, who are interested in this work.

HIDES.—James Sipes & Son pay the highest market price for beef hides at their butcher shop in McConnellsburg, also highest price paid for calf skins, sheepskins and tallow.

Mrs. M. V. Cromer has a cactus that is now twenty years old and has in bloom one hundred and twenty beautiful flowers. It is certainly a thing of beauty.

Samuel Mellott, of Ayr township, commenced his wheat harvest last Monday. The wheat in the Cove is unusually heavy this year. The hay harvest appears to be rather backward, very little hay having been stored as yet.

Quite a number of our town boys went up to the Rocks on top of Cove mountain last Friday afternoon, took lunch along, and had a very pleasant time. A shower in the early afternoon threatened to spoil the affair, but the sun came out and soon the leaves were made dry, and the atmosphere cleared, and the weather was all the more pleasant for the rain.

If you have pains in the back, weak back, or any other indication of a weakened or disordered condition of the kidneys or bladder, you should get DeWitt's Kidney and Bladder Pills right away when you experience the least sign of kidney or bladder complaints, but be sure that you get DeWitt's Kidney and Bladder Pills. We know what they will do for you, and if you will send your name to E. C. DeWitt & Co., Chicago, you will receive a free trial box of these kidney and bladder pills. They are sold here by Trout's drug store.

Fulton county people who may want to go to the seashore this summer will be interested in knowing that the annual excursions are now on. The first one over the Cumberland Valley railroad went this morning, and will go every two weeks until the 9th of September. The next one will leave Mercersburg, Thursday morning, July 15th. Round trip to Atlantic City, Cape May and other seashore resorts, five dollars, ticket good for sixteen days.

At a meeting of the Borough school board last week, the following teachers were elected for the ensuing year: High school, Emery Thomas; Grammar, Miss Fannie Groathead; Intermediate, Miss Gertrude Hoke; Primary, Miss Minnie Reiser. The only change from last year is that of the Primary, in which Miss Reiser takes the place of Miss Nora Fisher, whose matrimonial plans take her out of the public schools. The salaries remain the same as last year—Mr. Thomas, \$55, and the others, \$50. Term eight months. Schools open 6th of September.

Dr. W. F. Sappington, of Webster Mills, performed a surgical operation on Robert A. Stouteagle, East Water street, Tuesday afternoon, removing from Mr. Stouteagle a large handful of gall stones. Mr. Stouteagle was operated upon in Altoona last winter, and the operation was not very successful, and a week or two ago, he went back to Altoona to have the operation repeated. He was there advised against the risk that a second operation would entail, and he returned, Tuesday afternoon, Dr. Sappington reopened the old incision, and found that the gall bladder was full of stones in size from a pig's egg, to a bird's shot. These he carefully removed, dressed the incision, and Mr. Stouteagle is now resting comfortably, and it is believed that he will recover in a short time.

HEREDITY COUNTS.
If Your Name is Edwards, You Are in the Line of an Illustrious Ancestor.
James M. Edwards, of Osceola Mills, in a recent letter says:
"I herewith enclose a little sketch taken from the June number of 'The Poultry Item,' of Sellersville, Pa., concerning the Edwards' connection of which Fulton county has a good representation, and will ask that you kindly insert it in your next issue as nearly all the Edwardses do, or ought to, take 'The Fulton County News' as it is worth its weight in gold."
"If you are breeding from first class stock, you are to have a rock like faith that the stock you mature next fall will be first class. There will be culs, but the rule will be high class stock. But if you haven't first class stock, do not look for first-class birds. 'Lake will produce like.' William Pitt was one of the greatest statesmen of his time. He was Prime Minister of England. He had a son whom he named after himself, William Pitt, the younger, became Prime Minister of England when he was only twenty-four years old. Why was this young man so highly endowed? Because his father was highly endowed. Statesmen produce statesmen. Great preachers produce great preachers. Charles H. Spurgeon preached for thirty years to a weekly audience of about six thousand people in the great Metropolitan Tabernacle in London. When he died, his son succeeded him. General Grant, in the person of his own son, is still one of the foremost military men in the United States. Endless instances might be cited giving us confidence in this supreme law of heredity. It will just as certainly work in birds as in horses, cattle, and men."
"Sometimes the great man is the exception in the family. There was only one Benjamin Franklin among seventeen brothers and sisters. But look at Lyman Beecher's sons and daughters! Look up the descendants of Jonathan Edwards if you want to realize the value of fine breeding.—300 college graduates, 14 presidents of colleges, 100 professors of colleges, 100 lawyers, 30 Judges, 60 physician, 100 preachers, theological professors, etc. These are matters of record and scientific investigation."

A little child of Will Youse, aged about three years, who with its mother were the guests of Roy Cromwell, got one of its fingers caught in the door of Mr. Cromwell's house, so badly mashing it that the services of a physician were required to dress it.
