O'Kelley, for his trips to Seattle, California, a policeman, drank of the content the Southwest and the South, of the former and died in grea Lelieved a little whisky might do The Agricultural Department is- him some good and went searching several bottles upon the pantry shelf.

Senators To Be Witnesses. Seattle, Wash. (Special).—Counsel for Mrs. Vera de Noie said that

senators and congressmen would be tion pen for investigation on the charge that she is an alien and lack-A haval board has been appointed to make a second inquiry into the cause of the death of Second Lieutenant James M. Sutton, of the Marine Corps, at Annapolis.

It is charged that a number of interstate express companies have been organized by liquor interests to evade the prohibition laws.

Charge that she is an alien and lacking in qualifications to enter this country, has a hearing in court. Mrs. De Noie says she is a native of Iowa, where she lived until 17 years old. She said that she formerly lived at Long Branch, N. J., where she has relatives. She arrived recently from Hongkong.

The "Iron Trade Review" will say today: "The United States Steel Corporation has decided to build a fifty-mill the plant at Gary. These plants will be the largest of their kind in the world. An advance of \$1 per ton in bars, plates and shapes by the Carnegie Steel Company has not been follows. The Senate refused to substitute the Bailey income tax amendment for the Finance Confinitee's corpored by the Illinois Steel Company. Both of the Wrights returned to Washington and resumed experiments at the Fort Myer aeroplane shed.

This is an important step toward abandoning the time honored custom of making Pittsburg the basing point for these products." This is an important step toward
