B. Vangelver & Co. Henry Linde, furniture dealer, of 2021 North Twenty-second Street. Benjamin Ritter, chair manufac-

turer, 2531 Germantown Avenue. The automobile party which ended disastrously . fter the machine swerved to the side of the road and plung-ed over an embankment near Nazareth had been arranged for weeks in advance.

Apparently the big machine struck on obstruction in the road. It swerved sharply to one side, almost turning around, and planged over the side of the road into the ditch. Not a sound or me from the five occupants of the car, but an instant after the machine turned turtle a flash of flame and smoke went up. Fearing an explosion, bystanders were afraid to begin the work of

rescue for several minutes.

The body of Mr. Wagoner was first picked up. He had been riding on the front seat with the driver, and when the mac'tine toppled over he was hurled across the road, the back of his head striking one of the rails of the Nazareth troley. His skull was crushed, and death was instantaneous

Mr. Fleuhr was found by the rescuers pinned underneath the wrecked car.

His skull was fractured, his face fantile paralysis, which attacks chilbadly battered and his body burned dren between the ages of six months by escaping gasoline.

By his side was Mr. Linde, who

was unconscious when taken out, but who escaped serious injury. Mr. Rolling, perhaps internally injured. was also pinned under the car. The driver, Mr. Ritter, was thrown across the ditch and seriously Lurt. He will probably recover, although he sustained serious scalp wounds and

THE TARIFF BILL IS NOW A LAW

of the Measure.

AND CONGRESS HAS ADJOURNED.

Vote On The Payne Bill In The Senate Showed Forty-Seven In Favor And Thirty-One Opposing The Act. Western Senators Line Up Against It-Taft Goes To The Capitol To Affix His Signature And Is Warmly Received By Congressmen-Bitter Debate Characterized The Session's Last Day.

THE NEW TARIFF LAW.

At 5 o'clock P. M., August 5, President Taft signed the long-looked-for tariff bill, and the Payne Act became a law. The bill was under consideration by a special session of Con-gress, convened March 15, for

four months and twenty days. The House received the bill on March 17 and spent 24 days debating the measure, passing it to the Senate on April 9. The Senate Finance Committee

had the bill under consideration for eight days, Mr. Aldrich introducing it in the Senate on April 17 The Senate debated the bill for 49 days, passing it on July 8. The House and Senate conferees struggled with the provisions of the measure for 20 days.

signing the bill on July 29. July 31 the House took its final vote on the act, and August 5 the Senate passed it for the second time.

Washington, D. C. (Special) .-The tariff has been revised and the extraordinary session of Congress he proposed to use explosives in wrecking freight and passenger cars has been brought to a close. Both along various lines of the Pennsylhouses adjourned sine die officially vania Railroad. at 6 o'clock. That is the time enbuilt by Japan during the war with tered upon the 'ournals, but as a Russia. After the war a treaty was matter of fact the adjournment was taken in the House at 5.38 P. M. and in the Senate at 5.58 P. M. The closing hours of the session were attended by scenes of a most uninteresting character. The revision had been according to the desires of some and with the hearty disap-proval of others, and the last two days had been consumed by members of the Senate in expressing their

satisfaction or dissatisfaction, as the case might be. The conference report on the bill was agreed to by the Senate by a vote of 47 to 31 when the vote was taken at 2 P. M. and soon afterwards the concurrent resolution makand 10 years, and, where is does ing certain changes in the leather not kill, leaves the victims helpless schedule was adopted by both houses. Cripples.

When efforts of the board of health failed to check the growing room set aside for the occupation of number of cases the state authorities were called in. They say the disease germ was carrying in the dust pearance there, the first since his incumbency as President, caused mem-bers of Congress to desert the two chambers and form in line to be

ceived by him. There was a constant procession of handshaking statesmen

Just as the hands of the clock in the President's room indicated 5.06 the Payne tariff bill, as the measure will be known, was laid be-fore the President. He picked up a pen supplied by Chairman Payne, of the House Ways and Means Committee, and which had been used by both the Vice President and the Speaker After writing "Wm. H

five minutes after five o'clock, Au-Bending over the President as he affixed his signature were Secretary General Hitchcock, Secretary Nagel and Secretary Wilson. Standing about the table were Senator Aldrica. Representative Payne and many other members of the Senate and House, Mr. Payne stood with hand extended waiting to receive the pen with which the bill was signed. He took it with a picture of boyish gled overspreading his face. Another pen was handed to the President and he wrote the word "approved" and handed the pen to Representative Langley, of Kentucky.

The homemaker and actual settler, and not the specific to the specific property of the specific property of the specific property. The man's country.

"Remember that righteousness and our real ultimate self-interes demand that the blacks be treated I have no patience with septimentalists, and I think that sent-mentality does more harm to individuals than brutality. Therefore believe in helping the missionary, whatever creed, who is laboring sin-cerely and disinterestedly with prac-

tical good sense. "It is natural that I should have a peculiar feeling for the settler. They remind me of the men in suf West with whom I worked and is whose aspirations I so deeply sympathize."

In conclusion, Mr. Roosevelt dree a comparison of the conditions of he had found them in British East Africa with those that confronted the pioneers of Western America. Man With Fatal Kick Arrested

Little Rock, Ark. (Special) -Wil-am McMath, of this city, who was Mayor Mayfield, of Cleveland, had the petition presented to the court, and it was signed by other officials and citizens. The order was served a ter the Holy Rollers had their rested here charged with kicking a woman to death, was attended to the petition presented to the penitentiary about five years ago, convicted of beating and citizens. The order was served after the Holy Rollers had their peter imbeau and inflicting injuries which caused the latter's death.
