**HIDES WANTED.**—Highest market price paid for beef hides, horse hides, wildcat skins, and all kinds of proass, at Paul Wagner's Tannery, McConnellsburg.

A letter from G. Ellis Sipes, Redley, California, says that crops there are rather good this season, and prices lower than the average, which ought to mean that we will buy raisins, at least, cheaper than at present.

**HIDES.**—James Sipes & Son pay the highest market price for beef hides at their butcher shop in McConnellsburg, also highest price paid for calf skins, sheepskins and tallow.

The Salvation Army will hold a Campmeeting in William E. Stone's grove on Timber Ridge, beginning Saturday evening, August 14, to continue over three Sundays. These services will be held by Capt. Doterman, as assisted by other Salvation Army workers.

S. K. Rank, of Glen Campbell, Pa., filled the pulpit of Rev. Hoffman at the U. B. church in Wells Valley, last Sabbath evening. The Brother will return in October, and the good people of Wells can have another sermon or two. He is a wide awake temperance advocate, preaching temperance on highways, by hedges, and in homes.

At the end of the second inning of the game here last Saturday between Hustontown and McConnellsburg, the Hustontown catcher, H. E. Chesnut, in attempting to steal third, twisted his foot so badly as to put him out of the game. Dr. Mosser was witnessing the game, and went promptly to the young man's assistance. It was probably only a bad sprain but very painful, and will require several days to get all right again.

The best remedy we know of in all cases of Kidney and Bladder trouble and the one we always can recommend, is DeWitt's Kidney and Bladder Pills. They are antiseptic and at once assist the kidneys to perform their important work. But when you ask for these pills, be positive that you get DeWitt's Kidney and Bladder Pills. There are imitations placed upon sale to deceive you. Get DeWitt's Insist upon them, and if your dealer cannot supply you—refuse anything else in place of them. Sold by Trout's drug store.

The blackberry crop, which in the early stages gave the greatest encouragement, has been practically ruined by the drought. The berries haven't properly developed and many of them have become parched and fallen off the bushes. Even the green ones, which should last a few weeks longer, are dry as punk and falling off.

Emanuel Sipes, near Hustontown, who has been very sick, is now improving. His sisters, Mrs. Elizabeth Hess and Mrs. Lydia Hess, and his brother Amos J. Sipes, are visiting him for a few days. When their ages are considered, it is seldom that a family is found with a better record for vitality. Emanuel is 73; his wife, 72; his sister Elizabeth, 70; Lydia, 70, and Amos, 63. Notwithstanding their ages, they all with the exception of Emanuel—are apparently in the enjoyment of perfect health, and it is hoped that he may soon be as good as ever.

**'T WAS A GLORIOUS VICTORY.**

There's rejoicing in Federa, Tenn. A man's life has been saved, and now Dr. King's New Discovery is the talk of the town for curing C. V. Pepper of deadly lung hemorrhages. "I could not work nor get about," he writes, "and the doctors did me no good, but, after using Dr. King's New Discovery three weeks, I feel like a new man, and can do good work again." For weak, sore, or diseased lungs, coughs and colds, hemorrhages, hay fever, lagrippe, asthma, or any bronchial affection, it stands unrivaled. Price 50c and \$1.00. Trial bottle free. Sold and guaranteed at Trout's drug store.

**Is She Working Herself to Death**

Does your wife complain of too much dairy work? Do you ever hear her say she'll never get through washing milk things? How often does she say, "Oh, if I only had fewer pans, crocks and cans to wash, I could read, write or sew more, or even take a little rest each day."

**AN EASIER TIME.**

Ask her about it. Arrange to make the dairy work one half easier, one half neater, one half more pleasant, and 25 to 100 per cent. more profitable by using a Sharples' Tubular Cream Separator. Until you try the Tubular, you can't imagine the difference it makes. It skims the milk immediately after milking—there's no milk standing around no cans or pans to wash. The Tubular is entirely different from all others, so much more simple and convenient. Bring your wife and let me take a Tubular apart for you.
