## Women Suffer Agonies from Diseased Kidneys

And Most Women Do This Not Knowing the Real Cause of their Condition

These poor, suffering women have been led to believe that their misery of mind and body is entire-ly due to "ills of their sex." Usually the kidneys and blader are re-sponsible-or largely so. And in such cases, the kidneys and bladder are the organs, that need and must have attention.

Those torturing, enervating sick headaches, dragging pains in back, groin and limbs, bioating and swelling of the extremities, extreme nervourness or hysteria, listlessness and constant tired, worn-out feeling-are almost certain symptoms of disordered and diseased kidneys, bladder and liver.

DeWitt's Kldney and Bladder Pills have, in thousands of cases, been demonstrated as remarkably beneficial in all such conditions of female organism-affording the most prompt relief and permanent

benefit As an illustration of what these Pills will do, Mrs. P. M. Bray of arations are apt to do. Columbus, Ga., writes that she was E. C. DeWitt & Co., Columbus, Ga., writes that she was very ill with kidney trouble, and that she is now well—and that these Pills are what cured her. these Pills are what cured her. They are very pleasant to take, and can in no case, produce any deleterious effects upon the system -as syrupy, alcoholic, liquid prep-paid. Do it to-day.
